AT INDIAN LAKE

Volume 2, No. 5/6

May/June 1994

Notes From The GM

Summer. Finally. For a while I didn't think that it was coming! Memorial Day is just a few weeks away and I am sure that many of you are wondering what we are doing here at The Lodge and what we have planned for the coming season. So, I'd like to take a few minutes to bring you up-to-date.

One of the things that you may ask is "What's going on with Lakewood Golf Course?" Well first of all it has been renamed *Northwinds Golf Course* to go along with the name of the lodge and the many new things being offered. The name change is mostly for awareness and marketing purposes more than anything else.

The Northwinds Golf Course will open its "New 9" on Saturday, May 28th so plan to come out and play the expanded course. We really believe it will become one of the finest courses in the area. Please keep in mind that it is going to take a couple of years for the course to fully mature, but we are extremely pleased with the current conditions.

Don't break-out the kids water wings just yet. The pool will open sometime between May 25th and June 10th. Much construction (and money!) was necessary to make the pool operational again. Please call for further updates as we get closer to the estimated opening date.

The Fitness Center will be opening at a later date. However full locker room facilities and saunas will be

available when the pool opens, as well as a snack bar and small video arcade. We will keep you posted. Memberships will be available upon the opening of the pool. Rates will reflect the initial lack of fitness center and will be offered to individuals and families on a month to month basis. A drop-in "daily" rate will be available. In the next few weeks we will post a full rate schedule at The Lodge.

The Pow Wow Pier has an exciting summer planned for you! Now open on weekends, the pier will feature a 3 Person Budweiser Volleyball League starting on Saturday, June 4th. Open Tournaments will be offered on Memorial Day, Fourth of July, and Labor Day weekends. Other amenities include boat rentals, horseshoes, lots of entertainment, and special bar-b-ques. For water-side fun, come and join us at the Pow Wow Pier.

You may notice a change in the restaurant. The Lodge staff will be sporting crisp, new black and white uniforms. This change signifies our efforts to bring our food and service

up yet another notch. We are committed to improving all areas of service and the quality of our food.

Don't miss our traditional Thursday evening Country Line Dancing lessons with instructors Mike and Kathy Miscoe. In case you aren't aware of it, this has become a very popular evening here at The Lodge, stop in and see why! On Fridays and Saturdays we will bring you a variety of music, branching into dance bands, blues, DJs, and rock and roll.

Finally, in an effort to improve the overall performance of The Lodge, and to secure our financial future, we have hired American Heritage, Inc., a hotel and restaurant management company to assist us in the coming year. They are a knowledgeable, hardworking group that brings many of the tools necessary for the success of The Lodge. Together we will bring the level of performance to an unequalled high. Please join us and watch our progress. We look forward to seeing you many times during the summer!

The Northwinds Golf Course has an exciting summer planned for our customers with many events scheduled to bring us closer to our local community.

To kick-off the summer we are hosting a benefit tournament for the American Cancer Society on Wednesday, May 25th. Also planned is the unveiling of our new 9 holes on Memorial Day Weekend, see the details on the cover page.

In the month of June we have scheduled a tournament on Saturday, June 11th to benefit the Shanksville Little League. Then on Sunday, June 12th we will host a mixer for the Somerset and Johnstown Chambers of Commerce.

Other events will be scheduled at a later date.

The golf outing "Reflections, Golf the Old Way" has not yet been scheduled. This outing will emphasize golf's traditional values and will include a dress code with men wearing suits and ties and the ladies in dresses and hats. Refreshments will be available during the day followed by dinner and entertainment at The Lodge.
