Family Ski Clinic Set For Nov. 28

A family ski clinic, designed to help youngsters and adults with some of the fundamentals of skiing, will be held in the Pub Lounge of Indian Lake Lodge, Friday, November 28, beginning at 8 p.m.

Willi Klein, Indian Lake ski pro, will conduct the clinic.

The program, which always attracts a large number of Indian Lake skiers and potential skiers, runs approximately 1½ hours. Klein covers everything from safety features in all types of equipment to technique in developing racing skills.

In addition, a colorful film will be shown to emphasize basic skills needed for safer, more enjoyable skiing.

Bring the whole family and make an evening of it at the Lodge. You'll find it very enjoyable.

Make New Year's Reservations Early

Reservations are now being accepted for the gala party to welcome the new year of 1970. The New Year's Eve dinner-dance will be held at Indian Lake Lodge, Wednesday evening, December 31, with horns, hats, noisemakers, and all the colorful trappings of the biggest party of the year.

Plans for the evening include: dinner for two, a bottle of your favorite liquor, or two bottles of Laurel Highlands Champagne, dancing and breakfast at 1:30 A.M. with the traditional sauerkraut and wieners. Tickets for the big affair are \$40 per couple and includes tax and gratuity.

Jimmy Russell will preside at the organ in the main dining room, The Melody Men will entertain for dancing in the banquet room and accordion virtuoso Hans Stumpf will keep the party going throughout the evening and early morning hours. Reservations will be accepted for either dining room on a first-come, first-served basis.

A deposit of \$5.00 per couple must accompany each reservation. The deposit may be made by cash, check or charged to your valid charge account. Please make your reservations early and be assured a place in this year's grand celebration.

Ski Season Opens With Exciting Fashion Show

Linda and Willie Klein, Indian Lake's ski experts, helped top off a big social weekend October 24-25 at the Lodge by directing the annual ski fashion show. More than 35 of the latest fashions in '69-70 skiwear were shown by 15 different models. There was something for everyone. The nice thing about the fashion show is that everything modeled is available at Indian Lake's ski shop located downstairs in the Lodge. So, with the showing of what's new in skiing, the season is now open at Indian Lake. All that's needed is some snow. In the pictures above, from left to right, Laurel Gibson wears a reversible wolf coat with matching over-the-boot pants. Next to her is Sharon Guarino in a two-piece pink warm-up suit made of new quilted nylon. Ski instructor Freddie Klein is shown next in a one-piece warm-up suit featuring side leg zippers. At right, Nasa Cotchen wears the new over-the-boot pants, and a matching jacket in Luna rose. Her sweater is coordinated with matching trim. For the latest in skiwear and equipment, visit the Indian Lake ski shop. It's now open.

Lodge To Be Closed Christmas, Dec. 24

In order that personnel at Indian Lake Lodge may spend Christmas with their families, the Lodge will be closed beginning at 2 p.m., Wednesday, December 24, and will remain closed Christmas Day. Indian Lake Lodge will reopen at 8 a.m., Friday, December 26.

Response to the Live Lobster Night November 14 was so good that another lobster special has been scheduled for Friday, December 12. Reservations must be in by December 9. Make yours now.

ALOHA Spirit at Hawaiian LUAU

The Hawaiian Luau turned out to be a big highlight of the October 24-25 social filled weekend at the Lodge as more than one hundred persons turned out in a beautiful variety of colorful and exciting Hawaiian outfits. All tickets for the big feast were sold out in advance. The swimming pool lounge, where the Luau took place, had the real Hawaiian touch thanks to the great efforts of the Lodge staff and management who did the decorating. Everyone thoroughly enjoyed the food, too, which the kitchen forces of chef Jack Prout took great care in preparing. All these things were combined to form a real spirit of Aloha. Pictured above is the main buffet table in the pool lounge, and one of several poolside tables that were set up for Hawaiian style dining.

More Space Added To Air-Park Hangar

Construction is under way to add 5,200 square feet of floor space to the main hangar at Indian Lake Air-Park. When completed, the building will have a total of 11,500 square feet and will be large enough to allow for servicing five airplanes at one time.

The project is part of an overall program to expand the aircraft maintenance department to meet the increased air traffic at Indian Lake, and to set up the department to conform with standards of the Federal Aviation Administration. Indian Lake's flight training school is approved by the FAA and the aircraft maintenance department is headed by a licensed FAA mechanic and inspector.

With these high quality facilities and services, including the recently expanded air charter service, Indian Lake is now considered to be the finest small aviation center in Pennsylvania.

Work on expanding the main hangar is expected to be completed by the end of November.

Snowmobiling on either of Indian Lake's two golf courses will not be permitted this winter except on the front nine of the peninsula golf course which has not been seeded. With the fairways cleared and graded on the front nine holes of the peninsula, it should make an excellent track for snowmobiling without causing any damage to the golf course.

Talented musician from Johnstown and Somerset will hold a "Jam Session" (instant jazz) Friday, December 5 at the Lodge for the benefit of the Johnstown Symphony Orchestra. The new conductor, Dr. Semanitzky promised to jam along in "Tea for Two". No Admission fee of course; donation will be appreciated.

Charter Flight Service Expanded

Charter flight service by Indian Lake is fast becoming the primary source for quick, convenient, trouble-free travel by scores of businessmen and vacationers.

The charter service has been greatly expanded with the addition of a 5-passenger, turbo charged twin engine Aero Commander that cruises at about 225 mph. This big bird together with another twin engine 3-passenger that speeds along at 190 mph, and two single engine 3-passenger planes that cruise at 130 and 180 mph, respectively, make up a good fleet of airplanes ready to fly anywhere anytime — even on short notice.

All pilots who fly the charter trips are instrumented rated and experienced in flying in all types of weather conditions.

So, whether it be business flying — air freight or passenger — or a weekend pleasure trip, check with Indian Lake Air-Park about a charter flight.
