Volume 1, No.3

July 1993

### NOTES FROM THE GM

Now that we are well on our way into the summer months, I am happy to report that the months of May and June have been prosperous at The Lodge, thanks to your support. Our focus has been to consistently improve our food, service, and entertainment for our friends and guests to enjoy. We believe that the experiences and learning processes that we are gaining are valuable building blocks to our future success.

Your support during the past months is greatly appreciated, and imperative to our success, as is the constructive feedback that we have received. It is increasingly obvious how much the community wants to see the Lodge succeed. Keep it coming!

Here are some of the things that we are working on currently. THE POW WOW PIER - is nearly completed! However, our extension license for full bar service is completely in the hands of the state... our plan now is to open the pier, (BYOB) and serve food, sodas, and mocktails until the license approval arrives. So stop by and help us get the pier off to a great start! Our hours of operation will be: Fridays from 4pm to 10pm, Saturdays from 10am to 10pm, and Sundays from 10am to 5pm. (Continued on page 2)

## THE NORTHWINDS WORKOUT

Relax to music with stretching, low impact aerobics and floor exercises concentrating on firming and toning.

Classes are Mon. & Thurs. @ 6:30pm and Sat. @ 8:30am. Fee is \$15 for 2x per week/month, \$20 for 3x, walk-ins are \$2 per class.

Bring a floor mat. Call JoAnn Petrillo at 754-5090 to sign up!

## NOTES FROM THE GM CONTINUE

**PARKING** - A second parking lot, below the current lot in front of the lodge, is expected to be completed by mid-July to allow more parking for our many guests!

**GOLF EXPANSION** - The new nine holes for '94 are right on schedule. Opening is slated for mid-May of '94. We will be starting our membership drive in July. If the weather does not cooperate for the proper "grow-in," we will adjust the membership fee accordingly.

The driving range should be open by mid-to-late July. The range balls will be available in our new convenience store that will be opening in July. The store will be located across from Elizabeth's Fancies Bakery.

As you can see, we are very busy! Stay tuned for more information in our August newsletter, until then, Enjoy the summer!

## BRIDGE CLUB MEETING SET

All those interested in joining any of our four bridge clubs should attend our Registration/Organization Meeting on Saturday, July 10 from 3pm-5pm at The Northwinds Lodge.

Clubs to be established include: Duplicate pairs and couples, Ladies or men's contract. Other groups or other card games may be considered.

Coffee, soft drinks, and snacks will be provided and a cash bar will be available. The agenda includes the forming of clubs and setting of the club meeting schedule. A series of lessons for beginners will also be discussed.

If you wish to participate in one of more clubs but cannot attend the meeting, phone 754-4239 and leave your name, phone number, the clubs you are interested in and convenient times for you to meet.

## BREAKFAST WITH BARNEY FOR KIDS

By popular demand, we are happy to announce that "Barney is back!" Due to the outstanding turn-out for our first Barney day, Northwinds Lodge is bringing that favorite purple dinosaur back to Indian Lake. Bring your dino-lovers to the Lodge on Saturday, July 17 for a buffet-style breakfast with Barney. Your children will enjoy a sing-a-long with Barney and one-on-one conversation with this famous creature.

After the kids meet Barney, have them finger printed by the Indian Lake Police Department. Finger printing your child is one step towards making it safer for you and your child.

So come out to The Lodge on July 17 and bring your cameras for a breakfast your children will never forget. The cost of the breakfast is \$6.00 for adults, \$3.00 for children. Please make reservations by returning this form to The Lodge.

## MARINA SPONSORED EVENTS

The Indian Lake Marina is joining in the community fun with these events. Saturday, July 3 - Boat Parade to celebrate the Fourth. Saturday, July 10 - Waterski Lessons with John Cornish, Barefoot Champion. Saturday, July 24 - Anything That Floats. For more information, call 754-4774

## LODGE OPENS UNDER 21 CLUB

As many of you may already know, The Lodge has added an 'under 21' club to its list of entertainment facilities. "The Front" is a full arcade equipped with air hockey, pool tables, and video games. Friday and Saturday evenings, the DJs provide music for dancing in the Thundercage!

The Front offers teens an alternative ...the opportunity to meet teens from other areas in an environment that is uniquely theirs. The club also offers adults a chance to enjoy the Lodge's weekend entertainment without having to leave their teens home alone.

A few special activities, such as volleyball and air hockey tournaments (and maybe guest appearances by local bands), are being planned. The arcade is open Wednesday thru Sunday all summer long, check us out!

## IN SEARCH OF SKI SHOW PARTICIPANTS

Plans are underway for an August Ski Show. The annual Stoneycreek Ski Show is in August and this year they have invited Indian Lake residents to join them.

Anyone interested in participating in the show should join them for practices. The show will be held at Stoneycreek one week and then at Indian Lake the following week. For more information, or to sign up, call Time Skone at 754-5584 or Drew Petrillo at 754-5090. Let's show all the non-skiers what we skiers can do!

### PLEASE BE CAUTIOUS

Please be cautious and remember, don't drink and drive, or drink and boat! Alcohol and the operation of any vehicle do not mix!

Let's all be careful and have a safe and enjoyable summer!

## MAYORAL ADDRESS

The following was submitted by Jay McClatchey, Mayor of the Indian Lake Borough.

The Mayor is the executive branch of the municipal government. The main responsibility of the mayor is the control of the police force. Council has the authority to set the budget of the police department, hire and terminate police officers, and determine the structure of the police department. Borough Code gives the mayor power to direct the police chief and the police force. The mayor decides the time, the place, and the manner in which police officers are to perform their duties.

PA Borough Code clearly places the responsibility for controlling and operating the municipal government in the hands of Council. It does however, give the mayor the right to take part in all discussions and meetings of the council. Borough Code also gives the mayor responsibility for making recommendations to council on matters of borough concern.

Council has the exclusive right to pass an ordinance (law) in the borough, but it must be signed into law by the mayor. If the mayor vetoes an ordinance, a two thirds majority vote is required to override the veto.

## INDIAN LAKE SKI CLINIC A SUCCESS

The Indian Lake Ski Club Clinic held on Saturday, June 26 could definitely be considered a success.

The Ski Club was the first to experience the Pow Wow Pier - at 7:30 am for a delicious continental breakfast. Club members and friends learned the basics and refined current skills. The clinic featured combo, slalom, barefooting and even a little trick skiing. Smiles were seen all around the pier as success stories were exchanged by happy skiers.
