At the Lodge

November Entertainment...All New

Entertainment is continuing at Indian Lake Lodge and November promises to be another great month as an all new lineup of performers will make the scene.

On Saturday, November 2, the excellent comedy team of Blizz and Burke will bring their pantomime comedy act to the Lodge. As usual, there will be two performances—8:30 and 10:30. In addition, the mummer's march will take place at 10 p.m. to determine the most outstanding costumes from the annual Halloween costume party.

Pretty girls and handsome men will model the latest ski wear in the annual ski fashion show Saturday, November 9. The show, directed by Indian Lake ski experts, Linda and Willi Klein, will begin at 9:30 p.m.

Saturday, November 16, Mary Martha Briney, nationally known TV and recording star, will be the featured entertainer.

Pat Everle and Sandy Doran will present a program of comedy and instrumental routines November 23. The girls have been featured in top clubs throughout eastern United States.

Ed Scotti, a sensational tenor featured many times with Jack Paar, will wrap up the month with two performances Saturday, November 30.

All in all, it looks like a great month for entertainment at Indian Lake Lodge.

Easy to Win

New Customer Referral Contest Begins November 1

Expense-paid Bahama Vacation for Top Sponsors of New Property Owners

There's just no end to the way Indian Lake tries to take care of its property owners. Now, after an exciting Play Golf With Arnold Palmer Contest, Indian Lake is at it again with a new customer referral contest featuring GRAND PRIZES OF VACATIONS FOR TWO in the BAHAMAS.

The three top sponsors of new property owners will receive expense-paid-vacations for two that will include a round trip jet flight to Eleuthera Island, plus seven days and six nights at Arnold Palmer's Island Inn, room and meals included. The new 100-room beachfront hotel has its season premiere December 15.

Points, Gift Certificates

The new contest, which begins November 1 and runs through March 31, is based on a point system. For every personal referral (prospect comes to Indian Lake) that results in a sale, the sponsor receives 100 points. For every name referral (Indian Lake goes to the prospect) that results in a sale, the sponsor receives 50 points.

Sponsors with the three highest point totals at the end of the contest will win the expense-paid vacations. Sponsors receive a \$100.00 gift certificate as a bonus for each referral sale.

Name Referrals Count

The name referral is an added feature of this new contest and is an easy way to gain credit as a sponsor of a new property owner.

Here's how the system will work. Upon receipt of a referral card at Indian Lake, a brief letter will be sent to the persons whose names are on the card. The letter will acknowledge the person as one who might be interested in the recreation and investment advantages of a fully developed, year 'round resort. They will be invited to one of many social functions scheduled at the Lodge, and be given an invitation to tour Indian Lake at their convenience. Should they become property owners, credit will be

given to the sponsoring property owner. All referrals may be recorded directly at Indian Lake, or through the sales office in the Carlton House, Pittsburgh.

This is an easy chance for you to win one of the three grand prizes. Get in on the fun and excitement of participating in an Indian Lake referral contest.

Know What You Like ... That's the Way To Enjoy Fine Wine

Nick Papasoff, Maitre de, Indian Lake Lodge, has some sound advice about wine. According to Nick, "The best way to enrich your enjoyment of wine is simply to know what you like, learn their names, and order those that have become your favorites. Exploring other wines will come later."

The best thing about the number of wines available at the Lodge is the great variety—wines for every taste and every occasion. If there is anything wrong here, it is that this great variety may be confusing. It needn't be.

Nick feels that there should be no reason for newcomers to wine to hesitate over buying a bottle of wine in the Lodge. There is no such thing as a "wrong" wine. The only wrong wine is one that you don't care for. The right wine is one YOU like with a particular meal or at a particular time.

There are traditional combinations of wine and food, and traditional times of day when certain wines are served. These certainly aren't rules. They simply represent the taste of a majority of wine drinkers through the years.

Most wine experts, including Nick Papasoff, suggest that beginning wine drinkers try the traditional combinations first—just to see if tastes agree. If they do, fine. If not, then just follow your taste instead of the crowd.

No person ever fully masters the vast array of fine wines. The only limits on learning about wine are your time and curiosity.

If you do not regularly enjoy wine, there is only one way to find out what wine connoisseurs are talking about.

See Nick at the Lodge and try some wine yourself.

Halloween Costume Party November 2

One of the favorite nights of the year for many Indian Lakers is the annual Halloween costume party. This year the big party will be held Saturday, November 2. A grand march will take place at 10 p.m., after which prizes will be awarded for the best costumes.

Those who have attended mummer's parties in the past know that the ingenuity of Indian Lakers is legion when it comes to costumes.

There's also a big night of entertainment as the most requested comedy act in the east—Blizz and Burke—will be on stage at 8:30 and 10:30 with their hilarious comedy.

Snomobiling Is Exciting Family Fun

**Sport Gained Popularity
Last Year and Is Expected
To Increase This Year**

Experienced snowmobilers say anyone can operate a snowmobile. There's no special skill or training required. And, best of all, snowmobiling is a sport the whole family can enjoy.

The snowmobile is essentially a motorized bobsled with a pair of skis up front and wide caterpillar-like track underneath to propel it. Whether it's a cross-country jaunt or sailing up and over steep embankments, the snowmobile is designed to ride on top of the most powdery snow. Two passengers can ride comfortably on the sled.

It is estimated that approximately 200,000 snowmobiles were sold last year, and this year sales may be even double that amount.

Several Indian Lake families had snowmobiles here last year and more are expected to get in on the action this year.

Bob Long, snowmobile dealer and operator of the marina on Indian Lake, reports an early buying trend this year. The Evenrude Skeeter, which is on display at the Marina, is said to be more powerful this year with a 25 horsepower engine. The manufacturer says the new engine, which is built specifically for snowmobiles, will race through any kind of snow with power to spare. So before you buy a snowmobile this year, check with Bob Long. He'll tell you all about the new 1969 snowmobiles.

Skiwear for '68-'69 to be Shown At Lodge Saturday, November 9

**Annual Fashion Show Marks
Opening of Ski Shop and Season**

Is your ski wardrobe obsolete? If you don't think it is, you might change your mind after seeing Indian Lake's 1968-69 ski fashion show Saturday, November 9, at the Lodge. The show will start at 9:30 p.m. and will be directed by Linda Klein, wife of Indian Lake ski pro Willi Klein.

Last year the accent was on bright colors and narrow shapes. This year there's not only more color and new shapes, but there are new fabrics and design features that make ski wear more practical than ever.

The bright colors and good looks this year are combined with such practical features as endurance, stretchability, dependability and warmth. Other ideas include two-in-one parkas, two-way stretch pants with inserts, zip-on warm up pants and reversible hoods. One manufacturer has a personalized glove with fleece backing for "nose wiping."

You may not see all these ideas at Indian Lake, but there will be more than enough high fashion ski outfits to make anyone eligible for the best dressed skier of the year award.

Evening Wear, Wigs

An added feature of this year's show will be the modeling of after skiwear, evening clothes and wigs. There will be something for everyone and every pocket-book.

Mark the date on your calendar—Saturday, November 9—for Indian Lake's annual ski fashion show.

Naugle Wins Top Prize In Golfer-Shooter Event

**Thoma High Gun,
Phenecie Low Golfer**

Wayne Naugle of Davidsville won top honors in the golfer vs. shooter tournament held October 5.

With handicap scoring, Wayne had a 39 for his nine-hole round of golf and hit 19 out of 25 in the shooting category to win the overall trophy.

The individual trophy for high gun in trap and skeet shooting was won by Dr. George Thoma of Bridgeville. He hit 23 out of 25 clay targets.

Warren Phenecie of Johnstown won the golf trophy with a low net of 38.

This was the second golfer vs. shooter tournament held this year. In June, Billy Baltzer won the overall trophy and John Legath took the golf title. Don DeArment copped high gun honors.

The tournaments have been quite successful, and the next event has been tentatively scheduled for early next summer.

Swimming Pool To Be Repainted

The swimming pool at Indian Lake Lodge will be getting a new coat of paint and will not be open from November 4 to November 21. The pool will reopen Friday, November 22.

Anyone wishing to sponsor a group swimming party after November 21 may contact the Lodge office now for reservations.

Will Be 5000 Feet

Work Speeds Up On New Runway

Construction of the new runway for Indian Lake's air-park complex is moving ahead at a rather feverish pace, while a change in the plans from a 4000-foot paved runway to 5000-feet are being incorporated into the project.

The original plan of extending the existing 3000-foot runway another 1000-feet will be completed as scheduled.

More heavy equipment from Robert Glessner, original contractor for the project, and Swank Construction Co., sub-contractor, was put into operation the past month in an effort to speed up the job.

Rough grading and installation of the base material for the new runway is expected to be completed by November 1. Paving will not begin until next spring.

Family Ski Clinic To Be Held Nov. 29

A family ski clinic, designed to acquaint youngsters and adults with some of the fundamentals of skiing, will be held at the Lodge Friday, November 29, at 8 p.m.

The clinic will be conducted by Willi Klein, Indian Lake Ski Pro.

In the program, which runs approximately 1 1/2 hours, Klein covers safety features in all types of skiing equipment and simulates how certain maneuvers are performed for maximum safety.

A colorful film will be shown to emphasize basic skills necessary for safer and more enjoyable skiing.

Klein, a native of Kufstan, Austria, is an American certified ski instructor. He passed the United States Eastern Amateur Association certification in March, 1964. He was certified by the Austrian Federal Government as a professional ski instructor in 1960.

Klein has been the ski pro for Indian Lake since November, 1964.

Indian Lake Game Farm, Hunting Preserve Now Open

No Trespassing Signs Posted

Sportsmen who always hoped for the exclusive and practical benefits of hunting under quality controlled conditions realized their dreams Monday, October 15, as Indian Lake opened its new game farm and hunting preserve.

An abundant supply of quail and pheasant were turned loose on the game farm as part of the first phase of a huge stocking program. Birds are being purchased this first year until the program and facilities for raising birds on the farm gets under way.

Paul Wagner, membership chairman for Indian Lake's new game farm and hunting preserve, is shown here posting one of thousands of signs which are being used to enforce the privacy of the regulated shooting grounds. The game farm and hunting preserve opened October 15. Membership in the club may be obtained by contacting Paul Wagner, or Indian Lake Shooting Park.

The 3700-acre complex (expanded from the original plan of 2,575 acres) is completely private and open to members only. The hunting grounds are separate, but near Indian Lake's existing 3,000-acre development. The game farm has 1,200 acres for members to hunt pheasant, chuka and quail. In the 2500-acre regulated hunting preserve, members will have their pick of deer, turkey, rabbit, grouse, woodcock and squirrel.

Memberships in the club are limited in order to maintain the high standards of the game farm and hunting preserve, and to protect the value of a member-

ship for those who have already joined. Even though the hunting season is here, memberships are still open.

Annual membership is only \$150. The first year initiation fee is also \$150. A membership gives you, your family and registered guests all the privileges of the shooting park and game farm and hunting preserve. You will enjoy the added benefits of a 2-mile natural trout stream, six traps and skeet fields, indoor and outdoor rifle and pistol ranges, and a running deer target.

Join the club today. Write or call Indian Lake Shooting Park. Phone: 814-754-5185.
