SKI SHOW JULY 31

The Lake Stonycreek Ski Club will present it's Fifth Annual Ski Show on Sunday, July 31st, at 3:00 p.m. The Show will take place at Baltzer's Point, near the breast of Lake Stonycreek, and will be preceded by a boat parade starting at 1:30 p.m. A cash prize will be awarded for the best decorated boat; see any Ski Club member for details on entering.

The program this year will include kite flying, boat jumping, pyramid on skis, trick skiing, and many other new and exciting acts. The clowns will also be back to amuse you with their stunts on skis and the jump. Refreshments will be sold during the show, and musical entertainment will be provided by Shanksville Band.

In all, this is one show you won't want to miss. There is no admission charge, but a free-will offering will be taken up to cover production costs. There will be plenty of free parking. See you July 31.

MOVIES - MOVIES - MOVIES

Sure it is nice to lounge around on Saturday night but what about the kids? They crave a little excitement on the weekends, especially now that school is out.

Well here's just the ticket, movie, that is. The Lodge is scheduling movies to be shown at 8:15 p.m. every Saturday beginning July 15. C'mon over!

FLY-IN BREAKFAST SET FOR AUGUST 28th

A Fly-in breakfast at the Lodge is set for Sunday, August 28th. All air-minded residents and their guests will be welcome to come and enjoy the pancake feast set for this informal opening of the new runway at Indian Lake Air-Park. Plan to come out, look over the facilities and enjoy breakfast with your friends and neighbors.

EDGES BERG IN PLAYOFF

PARKER SHOOT'S RECORD-BREAKING 32 IN WINNING JULY 4th TOURNAMENT

The temperature was in the 90's but Joe Parker put on even more heat when he came from behind with a record-breaking 9-hole 32 to tie Wayne Berg in the final regulation nine of the Indian Lake 4th of July Golf Tournney. Both golfers ended up with 27-hole scores of 103 to put them into a playoff for the top spot. Berg with 4 handicap had a gross score of 109 with rounds of 71 and 38 while Parker with a 3 handicap shot 75 and 32. The Tournament was played under a 2/3 handicap rule that balanced the scores of both golfers.

Joe Parker receives congratulations from Wayne Berg after winning nine hole playoff for July 4th Tournament.

In the playoff, number five "The Monster," proved to be Wayne Berg's undoing. He powered a booming drive from the tee over the green to land in the right rough where a soft chipback left him above the hole and 3 putts short for a bogey. Parker, however, was still showing truly great form. He drove with a 3 wood and sent the ball right onto the green. His putt was just inches short for an eagle but dead on for a fine birdie.

Wayne couldn't quite get back into command on the greens after No. 5. He 3-putted 4 holes out of the playoff nine for

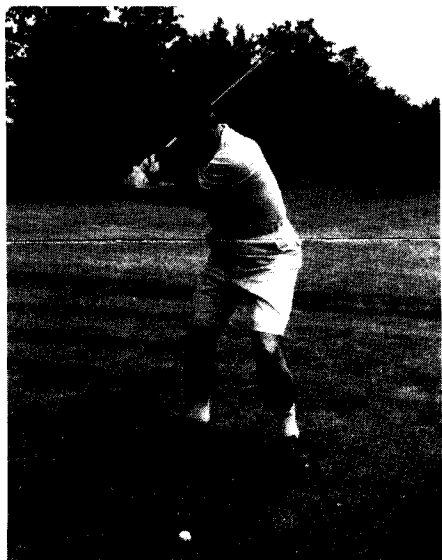

a 42 total leaving Joe a clear road to victory with his final score of 38.

Dave Watson's fine 105 won him third place. He was followed by Don Landis with a 110 for fourth place and Jack Butler right behind scoring 111.

A real thriller right to the end, the 4th of July Tournament promises to be the topic of clubhouse conversation for quite a few months. With two fine sportsmen like Joe Parker and Wayne Berg in playoff competition and Joe firing record-breaking golf the likes of which would have made a Frank Merriwell story pale in a comparison, anyone can see why.

PARKER SETS 2 COURSE RECORDS

Joe Parker, an Industrial Engineer for the U. S. Steel Corporation, Johnstown Division, set not only one but two records on Indian Lake's tight 9 hole golf course over the July 4th weekend.

Joe shot a sizzling 4 under par 32 for nine holes to tie Wayne Berg in the July 4th Classic. In combination with this his playoff score of 38 set a new course record of 70 for 18 holes.

The previous nine hole record was held by Denny Robinson and Wayne Berg both with one under par 35's. Wayne Berg had also held the record for eighteen holes with a one under par 71.

Parker started his record game with a dubious bogey on No. 1. He hit par on No. 2 and then slammed home five straight birdies! He finished up eight and nine right on par for his low record score. Joe Kurtack, John Legath and Joe Parker, Jr. were in the foursome accompanying Joe and happy to witness the event.

It is being mentioned around the lake that since the weekend of the 4th the pro shop doesn't bother giving Joe a pencil to go with his scorecard—he doesn't seem to need one very much.

SAILING REGATTA SET FOR SEPTEMBER 3

Calling all canvas crews . . . Saturday September 3rd is the date we've all been waiting for. The 1st Annual Indian Lake Sailing Regatta will take place at 10:00 a.m. at Long's Marina. Everyone who owns a sailing craft is cordially invited to enter the competition.

The race will be on a course set around the borders of the entire lake and handicaps will be assigned to all craft entered to assure equal competition in the event. It doesn't matter what type of sailboat you own, your sailing ability will be the determining factor once your handicap has been established by the judges.

Estimated sailing time for most craft will be about two hours, depending upon course and prevailing winds. In the event Saturday turns out to be a calm day the race will be reset to the following Sunday, September 4 or Monday, September 5 (Labor Day). Starting time will remain the same, 10:00 a. m.

GUITAR LESSONS OPEN TO LAKE RESIDENTS

If there is one instrument that has gained in increasing popularity with everyone over the past few years its the guitar. Whether it be a big electric one with amplifiers and all or just the type that is slung over the back of a pony for serenading doggies, the guitar answers the call to a great many musical endeavors.

In response to the many folks who were interested enough to try and get a class group in guitar music together for professional instruction here at the Lake, we have arranged for Rick Sims, a highly qualified teacher to be available once a week.

Rick is a noted musician and teacher having worked with Frank Natale in Pittsburgh, and has been teaching privately for over two years. He has conducted classes of the type required at the Lake for the Joseph Horne Company of Pittsburgh.

All interested applicants may inquire at the Lodge for scheduling lessons with Rick for group sessions at the rate of \$12.00 per seven lessons or private sessions at \$3.00 per half hour. Lessons will be held each Saturday morning.

Entry fee for your craft will be \$1.00. Prizes will be awarded to the top two contenders after the race.

Submit your entry now to the Indian Lake Sailing Club in care of the Lodge. Specify the type of boat you own in the entry. Handicap ratings will be issued prior to the race.

There are about ten sailboats now on the lake and more to be here by the time of the regatta so the event should be a real fun-packed exposition. Sailing is a grand sport in itself and racing the wind on beautiful Indian Lake will add quite a thrill to it, so plan to enter and be among the 100 per cent turnout that's expected.

See you at the starting line September 3rd.

1st ANNUAL SUMMER SWIMMING MEET IS SET FOR AUG. 13th

The First Annual Indian Lake Summer Swimming Meet has been scheduled for Saturday, August 13th at the Lodge pool.

The Meet will be open to all resident swimmers in all age categories and prizes will be awarded to the winners. Competition will encompass all styles into which there is sufficient interest shown. Special interest will, of course, be

placed on the open or free-style speed and distance events.

This is a great opportunity for anyone who is interested in organized swimming competition to get started in the sport. A large turnout is expected so it will be wise to enter as soon as possible. Stop to sign up or address your inquiries to the Lodge Office, or contact the lifeguards.

NEW GUEST PROGRAM

Summer's in full swing and so is the Indian Lake New Guest Program. Lakers are all taking advantage of the idea to bring their friends and neighbors out to the lake for a thorough inspection of the grounds and facilities hoping that their friends too, buy a lot and get in on the fun of second-home living.

Indian Lake has made the idea doubly attractive by offering a valuable incentive to the host in the event their guest buys a lot here. The host will receive a \$110.00 gift certificate good for any purchase at the Lake when and if his guest becomes a lot owner.

If you haven't shown any of the people you would like to become your neighbors around the Lake, you're missing out on a grand opportunity. Take advantage of the New Guest Program this week.

Indian Lake will pick up the tab for nearly every activity your guest would like to participate in for one full day.

Notify the Lodge in advance of your guest's arrival and all arrangements including passes will be made for the expense-free day. Your guest and his family will be welcomed any day of the week, Tuesday through Sunday.

Make Indian Lake an even better place to live by inviting your friends out to become part of it with you.

ARNOLD PALMER SPENDS 3 FULL DAYS AT LAKE

Goldfoms number one figure and general in command of "Arnies Army"—Arnold Palmer, recently spent 3 full days combining business and pleasure at Indian Lake.

Arnie was cheerful and relaxed as he chatted with many of the residents during his stay. He willingly obliged onlookers with a display of his famous talents by banging out long drives and executing deadly trap shots while posing for a fashion photographer's lens. Arnie was here primarily for the picture taking session set up at the Lake through Arnold Palmer Enterprises.

Between his posing chores Arnie reviewed the new airpark and progress on construction of the 18-hole golf course on the Peninsula, which he designed. He was quite pleased with the progress taking place in that area.

The unforeseen highlight of his stay took place Wednesday afternoon when Arnie, in the midst of a picture session, and several bystanders were laughingly surprised at being buzzed by his new jet. Arnie's pilot flew low enough over the golf course to give everyone a thrill at the sudden noise and appearance of the sleek new twin-engine craft as it barreled down out of the sky to let the boss know his transportation had arrived.

Everyone enjoyed Arnie's stay and were happy to find out that he's just as great a guy in person as he appears to be in the sports magazines, on television and in newsreels.

2ND ANNUAL LAKE STONY CREEK PARTY HELD

There was a big turnout for the second annual Lake Stony Creek Party held at the Lodge Friday, July 8th. As with last years party, there was plenty of entertainment, delicious food and dancing for all.

Lake Stony Creek residents and guests were very well represented during the entire evening.

It appears as if this will be one of the big annual parties for years to come here at the Lake and one we will all look forward to. (Isn't it wonderful how easily traditions of this kind are formed among friends and neighbors at Indian Lake?).

Guests enjoyed the dancing held before and after dinner at the 2nd Annual Lake Stony Creek Party

LADIES DAY GOLF A BIG HIT

Ladies Day is just about the biggest thing to hit the Indian Lake Golf Course since the advent of the little white ball.

Every Thursday the girls are getting together for golf, gab and good times. Luncheon is served at the Lodge for the group at 12:30 followed by a golf clinic at 1:15 p. m.

After a round on the links, the girls gather for cards or swimming and a pleasant day of socializing. Since there are no men around to spoil the fun, its become a weekly thing with many of the ladies and their neighbors.

Plan to come out and join them next week for an afternoon of sun and fun.
