Kimmel Named Police Officer For Indian Lake

Clair R. Kimmel, of Indian Lake, has been named police officer for Indian Lake Borough. The appointment was effective June 19.

Officer Kimmel is a lifelong resident of Stonycreek Township. He is a graduate of Shanksville High School and received an honorable discharge from the U. S. Army after serving 3 years in a security division.

As the borough police officer, Kimmel has complete responsibility and authority to take action regarding unlawful acts against the personal property and security of all residents within the borough, and for violation of borough ordinances. He also will serve as the borough sanitary inspector beginning September 1.

Building Permits

All building permits for Indian Lake now are issued through the office of Indian Lake Borough. Applications for building permits must also be approved by Allegheny Mountain Lakes, Inc.

Property owners are reminded that no structure of any kind, excluding floating boat docks, can be started at Indian Lake without approval of the plan and building permit. Also, no tents or trailers are allowed anywhere in the borough.

In addition to enforcing building permits, and the various borough ordinances,

Contest Moving Into Final Month

"Play Golf With Arnold Palmer" Attracting More New Sponsors On Close Race For Top Prizes

Telephone Appointments Easy Way to Gain Credit for Sales . . . Just Call in Advance to Announce Your Guests

One lot sale for any number of property owners could make the difference in getting to play golf with Arnold Palmer. That's how close the standings are in Indian Lake's new referral contest. With one month left in the contest there's still time to introduce prospective property owners to the exciting world of Indian Lake.

The new referral contest, which got under way June 15, is open to all property owners of Indian Lake, Lake Stonycreek and members of Indian Lake Lodge. The

six top sponsors of new property owners will get a nine hole playing lesson from Arnold Palmer, plus other valuable prizes.

A simple point system will determine the winners. Sponsors get 100 points for each lot sale. For fairway lot sales, there's a 50 point bonus. It's this 50 point bonus for fairway lot sales that will decide the winners. But don't forget, everyone's a winner as all sponsors receive a \$100.00 gift certificate for each lot sale on Indian Lake.

Ties in the contest will be broken by time and date of most recent referral sale. Contest closes August 31.

Remember, it's not necessary for sponsors to be present when guests come to Indian Lake to look over the property sites. Just be sure all your guests register through the sales office at the Lodge or Air Park.

Arnold Palmer directs construction operations on No. 10 green of the new 18 hole championship golf course. Bill Will, greenskeeper, is on the bulldozer.

Work on the new course has progressed quite well the past few weeks. With the water line almost completed, emphasis now is being placed on preparing for the seeding program.

New identification tags for members with full recreation privileges through Indian Lake now are available at the Lodge office.

These new identification tags are color coded and are the only recognized means of admission for the golf course, swimming pool and ski slopes. The tags are for the 1967-68 season.

Grand Opening Held at Air Park

Indian Lake officially opened its Air Park complex with a two-day celebration Saturday and Sunday, June 24-25. Airplanes were on display and refreshments served. Various slide shows held the attention of visitors in the terminal building. Interest was high in the Indian Lake ground school classes and in learning to fly.

If you didn't make it to the Air Park during the grand opening, you're welcome to inspect the facilities anytime . . . and see the model condominium hotel room.

Kimmel, Police Officer

(Continued from page 1)

Officer Kimmel will be responsible for policing roads, and other areas, and maintaining general safety and security within Indian Lake Borough.

Police Phone Numbers

The following phone numbers have been established for the borough police: 814-754-4747 or 814-754-4616.

Fire department numbers are as follows: CENTRAL CITY—754-4111, 754-5222, 754-4321 or 754-5111.

For the Shanksville fire department call Berlin 267-5762 (Day) or 267-5135 (Night).

Publicity, Inquiries Continue for Indian Lake And Condominium Hotel

Inquiries from national publicity on the proposed new condominium hotel for Indian Lake still are being received through the sales offices. The total response to date has been overwhelming.

Many of the more recent inquiries indicated the newspaper in which the news story appeared. Among the major papers were the New York Times, Miami Herald, Christian Science Monitor and the Stars and Stripes, armed services newspaper. One inquiry came from a soldier in Viet Nam.

The interesting thing about all the 100 plus inquiries is that the people recognize the investment potential and do, in fact, want to purchase a hotel room.

In addition to individual inquiries, many have come in from companies and business concerns who evidently see the unlimited possibilities as an investment. To these people the return on invested capital and being able to depreciate the room as a regular rental type property is particularly appealing.

There are few investment opportunities to compare with the condominium hotel room. To see the model room and get answers to any questions you might have just call Indian Lake Air Park 814-754-5159 or 814-754-4616. You'll be glad you did.

**Fishing Club
Elects Officers,
Orders More Fish**

The Indian Lake Fishing Club elected officers at its organization meeting Friday, July 14.

Jack Butler has been elected president. Dr. Sidney Davenport, vice president, and Ozzie Livengood, secretary-treasurer. Yearly membership fee has been set at \$10.00. With dues collected to date, and with assistance from the Indian Lake Service Corporation, an order already has been placed for large mouth bass and walleyes for the lake.

Persons interested in joining the fishing club can send their \$10.00 membership to Ozzie Livengood, c/o Indian Lake Lodge. The club plans other activities as the membership keeps increasing.

Officers and members of the club are to be commended for their initiative in organizing and getting something accomplished on their own.

SAFE BOATING ON THE LAKE

Dr. Sidney C. Davenport, of Monaca, Indian Lake Safety Patrol Officer, is shown here directing attention to "SAFETY PATROL" lettering on the new pontoon boat which he uses to patrol the lake.

The boat, painted red, white and blue for easy identification, was purchased by Indian Lake Service Corporation. A new resuscitator also was purchased and is carried on the boat for use in emergencies.

Indian Lake boating rules and regulations now are being enforced to the limit.

A copy of these rules and regulations was mailed to every property owner, but it still takes cooperation on the part of every boat owner and operator to practice boating safety. Penalties for violations of the rules are for the best interests of everyone.

**Boat License and
Driver-Qualification Card**

All boats on the lake must have a 1967 Indian Lake boat license. Also, all boat operators under 15 years of age must have an Indian Lake Driver Qualification Card. The card is only issued to operators who pass the boat operator test which is given by Dr. Davenport. Boat licenses can be obtained at the lodge office or from the lake patrol officer.

Additional copies of the Indian Lake boating regulations can be obtained from the Lodge office. Every member of the family should observe these regulations.

Indian Lake is a big, beautiful lake. Let's keep it safe, too.

Picture Report of Arnold Palmer's Design

NEW 18 HOLE CHAMPIONSHIP GOLF COURSE

Arnold Palmer is spending more time at Indian Lake now that his design of the new 18 hole championship golf course is taking a more definite shape. Brief descriptions of the back nine holes will be printed in future issues of THE SMOKE SIGNAL. In this way it is hoped that members can share in the enthusiasm Arnold Palmer has for Indian Lake and the new golf course. Plans call for the back nine to be seeded this fall, and possibly be ready for play in 1968.

No. 12 Par 3
200 Yards

Arnold Palmer objects to abnormally long par 3's, but his design of No. 12 makes the hole a respectable 200 yard par 3. The elevated tee helps to shorten the distance on the tee shot, but it must be all carry as there is no playing fairway—just extremely heavy rough from tee to green.

Both sides of the tight, non-playing fairway are heavily wooded. This dense tree line also borders the kidney shaped green which is guarded by a sand trap on the right side.

By varying the pin positions and tee markers, No. 12 at Indian Lake will always be a great par 3.

No. 13 Par 4
360 Yards

The yardage on this hole might give some golfers the impression it's an easy hole. But, the challenge of a tough par 4 becomes apparent from the tee.

Trees, a small lake, sand traps and tree studded bunkers come into play over the slightly doglegged 360 yard test of golf.

There are two possible choices on the tee shot. The left side is the shortest route but a small lake is located near the tee shot landing area. Three trees are bunched near the center of the fairway, leaving the far right as the only other opening for a good second shot to a well trapped, horizontally shaped green.

September 2 Is Member/Guest Day

The first member-guest day at Indian Lake is scheduled for Saturday, September 2. Highlight of the day will be a member-guest, two-ball best ball, 18 hole golf tournament.

Details on the prizes and other activities will be mailed next month. Entertaining guests is not new to Indian Lakers. The success of the referral contests is due mainly to you, the property owners. But setting up one day, especially for guests, should be lots of fun.

Remember, this day is scheduled during the big Labor Day weekend, so plan now to line up a guest, enter the tournament and be at the Lodge Saturday night, September 2. You and your guest will have a good time.

Late Entries Being Accepted for July 29 Golf Tournament

The first annual K. H. Wagner Memorial Golf Tournament is all set for Saturday, July 29. The 18 hole, one day tournament promises to be a wide open event.

Among the late entries in the tournament is Francis Cmar, above, of Latrobe. On his most recent round at Indian Lake, Cmar shot a one under par 35. Although he had a great round, it won't help much in the tournament, as it will be played under a one-half handicap.

Golfers who want to play in the tournament but have not yet established a handicap at Indian Lake can see, or call, Jim Coleman at the pro shop to make arrangements for getting a handicap and a berth in the field. \$500.00 in prizes or cash goes to the top 3 finishers.

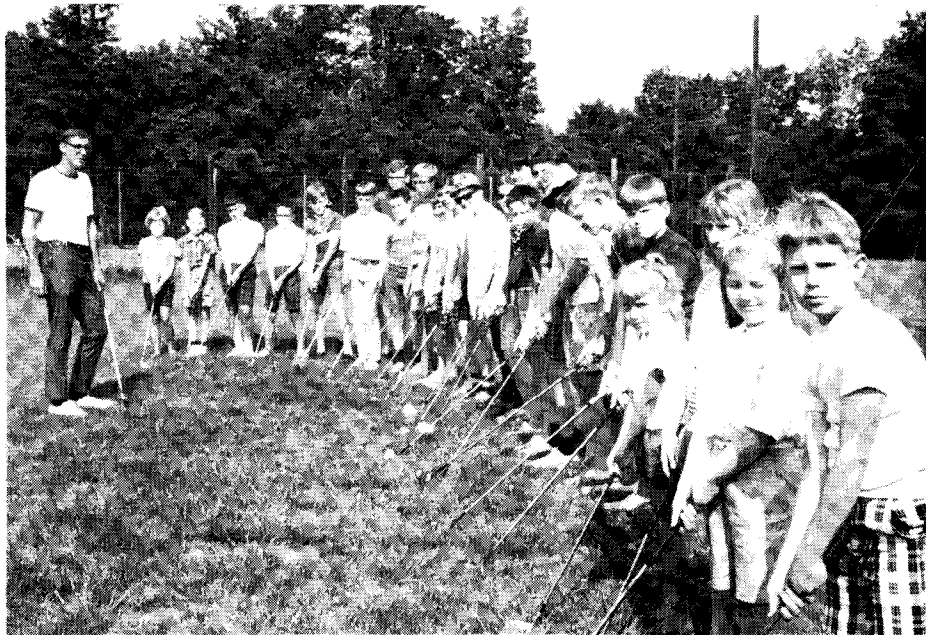

Awards Same Night

Trophies and prizes for the top three scorers will be awarded at about 10 p.m. Saturday night in the Lodge. All golfers are urged to be on hand for this great occasion.

Also, early morning golfers should check in at the pro shop later in the day for the standings. If you are among the winners, make it easy for Jim Coleman to let you know.

The K. H. Wagner tournament is being established as a memorial to the late Ken Wagner, of Stoystown, one of the leading figures in the early stages of Indian Lake's development.

JUNIOR GOLF CLINIC

There's always something to do at Indian Lake . . . and the junior golf clinic is among the many popular activities. Shown above are the youngsters now enrolled in the junior golf clinic. Classes are held every Saturday morning from 9 to 11. Registration fee is only 50¢.

Denny Robinson, University of Maryland golfer, is the instructor. Information on the golf clinic, or on private lessons, can be obtained at the pro shop. Taking lessons is one of the best ways to learn to play golf. Now is the time to start.

Qualify August 12-19

Club Membership Set for August 20

The final 18 holes of the 1967 Indian Lake golf championship will be held Sunday, August 20. As in the past, the championship will be a 36 hole event. However, this year, golfers will have from Saturday, August 12 to Saturday, August 19, to play the 18 hole qualifying round. This qualifying round will be used to determine flights, but it will be included in the total 36 hole score.

Joe Parker of Johnstown is the defending champion. Arthur Poorbaugh, Berlin, won the title in 1964, and T. O. Smith, Greensburg, carried home the trophy in 1965.

A comprehensive question and answer folder entitled "FACTS You Should Know About Indian Lake" is available to all property owners for distribution to persons interested in the recreation and investment opportunities available through Indian Lake.

HORSEBACK RIDING FOR EVERYONE

The Indian Lake Riding Stable continues to grow in popularity with lake residents. Facilities are more than adequate, as shown above, with enough horses and ponies to accommodate both adults and children.

Stable hours are 10 a.m. to 8 p.m. daily. It saves time if you call ahead anytime you plan to ride so a horse can be ready upon your arrival at the stable. Call 754-4785 or 445-5212. Riding lessons are given on Saturday mornings from 10 to 11 and from 2 to 3 in the afternoon. Sunday lessons are from 2 to 3.

Horseback riding is the newest family recreation to be added to Indian Lake's long list of things to do.

Air Park to Get New Hangars

Indian Lake Air Park, not quite a year old, is going to add four new hangars to its aviation complex. Plans have been completed and approved to construct the 32 x 42 foot hangars for the use of private airplane owners. The hangars will be full size, and not small T units common at most private airports. This means a boat and a car can be kept in the hangar along with the airplane.

The hangars will be completely paved inside and around the outside area to connect with the paved taxi strip.

All frame construction, the hangars will feature rustic siding, gable roof, sliding doors and inside lighting. A small hinged door will provide easy access without opening the big doors.

Traffic at the airport continues to increase and the park now is becoming a popular base for airplane owners. Also, Indian Lake Air Park is the place to go for learning to fly.

Lake Stonycreek Ski Show August 6

"Walking Down Broadway" is the theme—colorful costumes is the dress—and in between will be precision-like water skiing to add excitement to the 6th annual Lake Stonycreek Ski Show scheduled for Sunday, August 6, at 3 p.m.

To go with this year's theme will be many new and exciting acts, including a water ballet. Other acts planned for the show are boat jumping, kite flying, pyramiding and trick skiing. The always popular ski bums will be on hand as clowns and to perform many interesting and tricky jumps.

For an enjoyable Sunday afternoon, August 6, head for Baltzer's Point on Lake Stonycreek. You'll see another great water ski show by the really active Lake Stonycreek Ski Club.

Learn to Shoot Party Aug. 12 at Gun Club

The Indian Lake Winchester Shooting Center is having a party . . . a Learn to Shoot Party, Saturday, August 12, at 2 p.m.

Guns, ammunition, birds and refreshments will be free. The party is an open invitation to all property owners from Indian Lake, Lake Stonycreek and members of Indian Lake Lodge. It's for non-shooters as well as experts, men and women, boys and girls.

The Learn to Shoot Party is organized in 5 sections and is designed to acquaint everyone with the fundamentals of clay-bird shooting. A lesson in Gunology also is included in the party. This lesson covers the basics in gun safety, handling and the principles of how a gun operates.

The party will last for approximately one and one-half hours. Bring the whole family. Claybird shooting is fun for everyone.

Learn to Fly the Easy Way

James Newman, 16, of Mt. Lebanon, youngest ground school student at Indian Lake, is shown here using the special projector and audio-visual aids available to student pilots through Indian Lake Aviation, Inc.

This portable equipment is located at the air park and enables students to take ground school lessons in their spare time to make up the Friday night classes missed during the regular 6-week program. In fact, students can take the entire ground school at their own pace instead of in a class. This feature makes learning to fly easier and more enjoyable at Indian Lake.

Newman, and Scott Watkins, Pittsburgh, are the latest students to solo at Indian Lake. In less than a year, Indian Lake Air Park can boast of seven solos from its students.

Carl Ringler, Greensburg, is the first Indian Lake student to pass the private pilot flight test and obtain his license. He passed his flight test July 13.

Chalet guests are reminded that check out time is 1 p.m. The Lodge would appreciate everyone observing this simple rule.

Qualifying rounds for shooters of all ages, from neophyte to expert, now are being accepted at the Gun Club for the \$300,000 1967 Winchester claybird tournament. Anyone can enter.

New Storage Marina for Indian Lake

A year-round storage marina, designed to keep boats high and dry, is planned for Indian Lake. The 35 x 120 foot building will have 3 tiers and a capacity for storing 39 boats. A fork lift truck will be used to put boats in the water, or take them out—in less than 3 minutes. Ample space also is available for constructing another storage building as the need arises. There will be a parking lot for cars adjacent to the marina.

Use of the storage marina will be available to all Indian Lake property owners.

Dinner and Dancing

Summer Formal Set for August 26

Indian Lake's Summer Formal is back by popular demand. The success of the annual Harvest Ball in October and Spring Formal in April has brought about the request from members for one more festive occasion before the summer season comes to an end.

A separate mailing will be made in early August to all property owners to give sufficient time for reservations. Plans already are in the making for this to be something special . . . and a night to be remembered in the social life of Indian Lake.

Mark the date on your calendar—Saturday, August 26, Indian Lake Summer Formal.

Annual Party Held For Lake Stonycreek

Without a doubt, the third annual Lake Stonycreek party held June 30, was the greatest event of all time for Indian Lake Lodge.

As always, Lake Stonycreek residents responded in an overwhelming number.

The entire evening was a tribute to the developers of Lake Stonycreek and employees of Indian Lake.

While the evening was dedicated to individuals responsible for behind the scene operations of the area, the greatest credit must be given here to Polly Poorbaugh, the Lake's most active member, and director of the most memorable day for all lake residents.

However, it is being built primarily to serve property owners along the new 18 hole golf course, and other lot owners who have no desire to construct their own boat dock. Storage rates have not yet been determined.

The marina will be situated on the northeast side of the 1000 acre wooded peninsula in an area below the No. 17 fairway of the new championship golf course.

Work on dredging the access waterway has already been started. Swank Construction Co., of Stoystown, is the contractor for dredging operations.

The storage marina will be operated by Indian Lake Lodge. Reservations for storing boats can be arranged by calling the Lodge at 814-754-4616 or 814-267-2421.
