Favorable Response On New Membership Policy

Completed membership forms from lot owners for full recreational and social privileges through the lodge are being returned at a steady rate, according to Mrs. Myrt Collingwood, office manager at the lodge.

This unofficial report, as of May 10, shows total memberships to be way ahead of last year. All indications are that the remaining three weeks to June 1 should produce many more, and bring the total number of lot owners with full membership to the highest figure in the short history of the lodge.

The \$150.00 annual membership entitles husband, wife and all dependents residing in the same household unlimited use of the 9 hole golf course, ski slopes, swimming pool and tennis court, plus private social functions. June 30 is the deadline for the 1967-68 season.

Pro-rata credit is being given to all lot owners whose paid-up \$150.00 membership extends beyond June 1, 1967, which has been established as the annual renewal date.

The new membership policy produced many interesting comments, mostly favorable, but a few unfavorable. Anyway, the facilities at Indian Lake are among the finest to be found at any resort, and the \$150.00 is probably the lowest for a year's membership to the property owners.

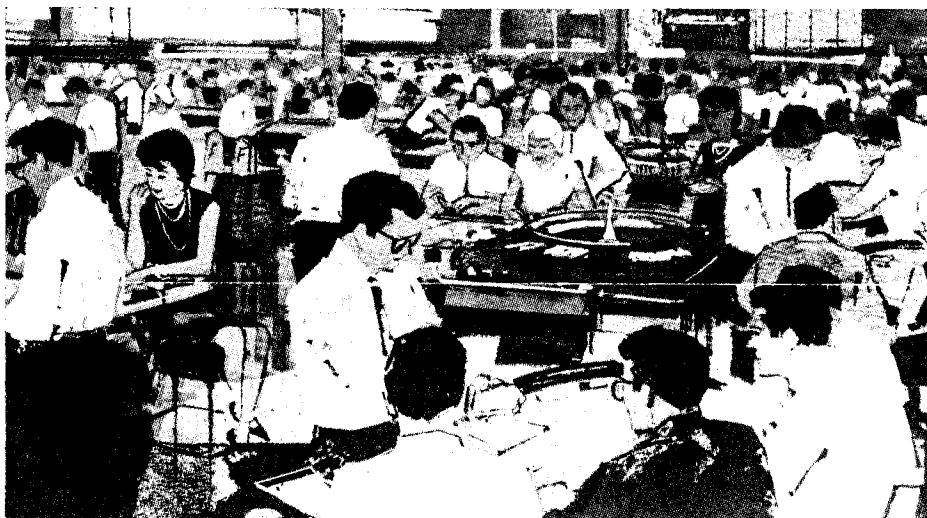

Lot owners having a question on the amount of credit due as a result of their membership extending beyond June 1 should get in touch with the lodge. All figures and dates were taken from records posted on individual account cards in the lodge office. If an error has been made, stop in at the Lodge and it will be promptly corrected.

In any case, many thanks from Indian Lake Lodge for your fine support.

FRONTIER DAY SET FOR JUNE 17

"Hit me and make it good" will be the cry of Indian Lakers as the flip of the cards, spin of the wheel and click of the dice will mark an exciting day and night of fun and games at Indian Lake's Frontier Day to be held at the Lodge, Saturday, June 17.

There'll be fun, excitement and good food—all in a style that created boom towns and started the wheels of fortune rolling in the wild west.

Play money will be used in all games and at all the tables. But the atmosphere and decorations will have all the fascination of a big, golden nugget gambling casino. Black Jack, Poker, Roulette and Craps will be among the favorites to keep everyone happy (that is if you're winning).

Regardless of what game you play, the action will be fast moving, and in an informal manner. The dress is optional—western garb, suits, low cuts—just put on your lucky pants and come on out.

Frontier Day will start at 8 a.m., Saturday, with a "Howdy Podner" Breakfast and end with a "Jackpot" Breakfast at 1 a.m., Sunday morning.

In between breakfasts, the games will be continuous, the drinks tall, the dancing lively, and the food good.

Frontier Day at Indian Lake promises to be one of the biggest, and happiest events of all times. Plan now to attend—Frontier Day, Saturday, June 17.

Heroism Awards For Lake Resident In Viet Nam Action

Specialist Six Class Lawrence W. Stewart, an active Indian Laker prior to being drafted into the Army, has been awarded the Purple Heart, Silver Star and Bronze Star for heroism in connection with military operations against hostile forces in the Central Highlands of Viet Nam.

Specialist Stewart will be released from active duty in two months, and looks forward to picking up where he left off at Indian Lake. He is an avid water skier and golfer. He also enjoys trap and skeet shooting, and his appearances at the gun club were times well spent.

Bus Service Begins

A regularly scheduled shuttle bus service for Indian Lakers has been set up, and is now operating initially on a weekend basis.

The bus route covers five major points around the lake area beginning with the lodge. Other stopping points are the marina, gun club, airport and around both sides of the peninsula. The complete run is a total of 12 miles.

A mass transit system has been established at Indian Lake . . . in a limited way, that is. But the new transit system will enable residents to get around more conveniently.

Indian Lakers and their guests are shown here boarding the 40 passenger motorized bus used in carrying them back and forth from 5 major points around the Lake.

Right now the bus is only running on weekends. Plans call for the service to be expanded during the summer months. The fare is only 15c one way.

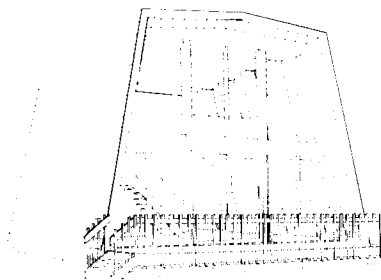

The bus starts its first run at 9 a. m., Saturday, and finishes at 6 p. m. On Sunday the bus operates from 10 a. m. to 7 p. m. The fare is 15c one way. Bus stop signs are being installed at the various stations.

Hourly departure times from each point are as follows:

Lodge :00	Peninsula West :31 - :36
Marina :05	Peninsula East :37 - :42
Lodge :10	Airport :45
Gun Club :19	Lodge :55
Airport :27	

Plans call for the service to be expanded to weekdays during the summer months. Also, as the traffic increases, the bus will make a run to West Shore Trail on the far side of the lake.

Riding Stable Opens June 2

The Indian Lake Riding Stable opens Friday, June 2. The stable is located along the Buckstown-Shanksville road on the west side of the lake.

Hours of operation at the stable are 4 p. m. to 8 p. m., Fridays, and 10 a. m. to 8 p. m., Saturday and Sunday.

Rates are \$3.00 an hour for adults and \$2.00 an hour for children's pony rides.

The Indian Lake Riding Club has been organized with a membership fee set at \$95.00 a year. This membership entitles the entire family 3 hours riding per week.

In addition to horseback riding, the facilities have been set up to board horses. The monthly rate for boarding is \$40.00.

Ward B. Miller, Jr., of Somerset, is the stable manager. More information about horseback riding and the new facilities can be obtained by calling Mr. Miller at Somerset 445-5212 or 445-7424.

Nominated By Members**Family of the Month
To Be Honored**

Indian Lake has grown in the past five years on the basis of year-round recreation and family living. And there are quite a few active families around the lake—active in terms of skiing, golfing, boating, water skiing, swimming, tennis, fishing, trap and skeet shooting, plus participating in the many social functions through the Lodge.

With this family living concept, it is appropriate then for Indian Lake to honor those families whom YOU, the present lot owners, feel proud to have as a friend and fellow Indian Laker. It is not necessary that the family nominated be altogether recreation minded. But the families nominated should be representative of total family living. YOU, the present Indian Lake and Lake Stonycreek property owners, will do the nominating.

In addition to recognition as Indian Lake FAMILY OF THE MONTH, the honor will carry with it a family style dinner, compliments of Indian Lake Lodge.

This new program begins immediately.

Mail your nomination for Indian Lake FAMILY OF THE MONTH to: FAMILY OF THE MONTH, Indian Lake Lodge, R. D. 1, Central City, Pennsylvania 15926.

Valuable Property**Survey Work Completed
On Back Nine Fairway Lots**

The fairway lots bordering the back nine holes of Indian Lake's new 18 hole peninsula golf course are now completely surveyed and available to prospective buyers, and Indian Lakers interested in picking up an additional lot or two as an investment. Fairways on this back nine will be seeded this year.

There are really two types of lots for sale within the back nine holes. These are fairway lots and air park-fairway lots. Both offer the utmost in privacy amid unspoiled natural surroundings. Each type of lot measures 150 x 250, with 900 square foot minimum building requirements, and 75 feet set-backs.

The fairway lots offer a new style of living in this area with easy access to the golf course and picturesque beauty. In

**\$100 Gift Certificates
To Lot Owners on Sales**

Wouldn't you like to earn an easy \$100.00? You can, by simply introducing prospective property owners to Indian Lake. If the prospect buys a lot you get the \$100.00 gift certificate. It's that simple.

The gift certificate is redeemable through Indian Lake Lodge—the dining room, golf course and pro shop, ski slopes and ski shop, or the swimming pool.

This gift certificate idea is not new to Indian Lakers. It has been used before and has always been a favorite promotion of lot owners from the very beginning. The program is being reactivated to replace the S & H Green Stamp program. Stamps will no longer be issued for referral sales after June 1.

It is not necessary for you to be with the prospect when he visits Indian Lake. But he must indicate you as his sponsor. Other than that the program is quite simple, and you can earn a \$100.00 gift certificate. Tell your friends about the good investments at Indian Lake.

addition to this, lot owners have a private access road, boat docking facilities and electric and water line service to the lot. And, they have all the social and recreational privileges through Indian Lake Lodge.

The air park-fairway lots are part of a unique development, not only for Indian Lake, but for other resort areas as well. These lots are situated between the Arnold Palmer designed golf course and the 4000 foot paved runway.

The lot owners have maximum use of all Indian Lake facilities. All these advantages, together with easy access to fast, convenient air transportation make the air park-fairway lots a good buy.

And, the big factor is that the fairway lots continue to increase in value as more progress is made on the new golf course.

The back nine holes should be open for play in 1968, and the front nine in 1970. Fairway lots are valuable.

FAMILY FUN FAIR JUNE 24-25 AT AIR PARK

Learn More About the Fun and Joy of Flying

There's plenty of fun and excitement in store for all Indian Lakers and their guests at the big FAMILY FUN FAIR Saturday and Sunday, June 24-25, at Indian Lake Air Park. Make your plans now to attend this interesting event.

Refreshments, prizes, gifts for children, wives and guests, plus demonstration flights in the new Beechcrafts—all are included in the fun-packed two days.

To Indian Lakers, the FAMILY FUN FAIR has a two-fold objective. First, it will introduce your family to the fun and joy of flying. Second, it will give you, your family and guests an opportunity to visit and inspect Indian Lake's complete airport operation which you've been reading and hearing so much about lately.

In addition to fun for everyone, the FAMILY FUN FAIR will give you information on how safe, convenient and economical flying really is. You'll get the facts on ground school, solo courses and private pilot courses.

Learning to fly, or owning an airplane is no longer a dream. In fact, flying has grown into a real family sport. And Beechcraft is paving the way in family flying with three new, low-cost Beechcraft Musketeers.

There's the Beechcraft Musketeer Sport III, which carries 4, gets better than 16 miles per gallon and sells less than some automobiles. The Sport III, along with the other two world famous Beechcraft Musketeers will be on display at the FAMILY FUN FAIR at Indian Lake Air Park.

Discover a new way of life. Come to Indian Lake's FAMILY FUN FAIR. There'll be something for the kids, door

prizes and a display of new Beechcraft Musketeers.

To help you get in the mood for the "wild blue yonder", there will be an aviation dinner/dance Saturday night at the Lodge. Everyone's invited.

Remember, Saturday and Sunday, June 24-25, for the Indian Lake Aviation FAMILY FUN FAIR at the Air Park.

Volunteers Needed To Help With Frontier Day Activities

The success of Frontier Day, Saturday, June 17, at the Lodge will depend a great deal on volunteer members.

In addition to helping with some of the decorating there will be a need for dealers, bartenders, (bouncers?), and other attendants.

As you well know there's just as much fun, if not more, to being on the other side of the table for a while.

Plans are for dealers to alternate in 2 hour shifts. The more volunteers, the more fun . . . and less work for everyone.

So members, here's your chance to be a wheeler and dealer. See or call any of the social committee members—Nancy Morris, Lynn or Linda Donner and Jim McCracken.

There's a Frontier Day committee meeting at 2 p.m., Saturday, June 10. Plan to be there.

A 6 week pilot ground school for private and instrument pilot ratings is set to begin July 14. This summer session is being set up especially for the lot owners. Many have stated they could attend a summer session on a much more regular basis.

The spring session is now in its second week and will run until June 16.

Enroll now for the summer session through Indian Lake Air Park.

Teen-age King and Queen For Indian Lake

Nominations, from teen-agers only, are open for a teen-age King and Queen at Indian Lake. The top nominees will appear before a panel of judges at a dinner-dance to be held in July at the lodge. The evening of dining and dancing will be climaxed by the crowning of the 1967 Teen-age King and Queen of Indian Lake.

All teen-agers of Indian Lake and Lake Stonycreek are eligible for nomination, providing they will not reach their 20th birthday before September 1.

Nomination forms are available at the lodge office. Deadline for submitting names is June 30. Only teen-agers are allowed to nominate. So, it depends upon the teen-agers.

It should be an exciting summer for the teen-agers at Indian Lake.

Beautiful Lakefront Property For Sale

This picture, taken from the lake, shows part of the new lakefront property which is now available for sale along the west side of the peninsula.

The property has special appeal to a wide range of prospective buyers. Boating enthusiasts, golfers, or just plain nature lovers will find these beautifully wooded lots ideal in terms of building a vacation home and enjoying year-round recreation.

The property faces the lake from the east, with the back of the lot being just across the road from fairways 15, 16, 17 and 18 of the new 18 hole championship golf course which is now under construction.

Information on the sale of this new lakefront property can be obtained by calling Indian Lake Air Park (814) 754-5159. Or write: Lakefront Sales, Indian Lake, R. D. 1, Central City, Pennsylvania 15926.

Action has been taken on organizing an Indian Lake Fishing Club. Fishermen interested in joining this select group should contact Ozzie Livengood at the Lodge.

You can make a hit with your favorite local club or organization by scheduling an outing or dinner meeting at Indian Lake Lodge. There are many variations of dinners and other activities to suit every type of group.

Plans call for stocking the lake with other types of fish in addition to the present stock of rainbow trout.

Family Style Sunday Dinners Now Being Served

Indian Lake Lodge is discontinuing the Sunday Buffet, and will begin immediately to serve family style dinners from 12 noon to 7 p.m. every Sunday.

This change was brought about by the members through the overwhelming turnout for the recent Easter and Mother's Day Dinners. Both were served family style.

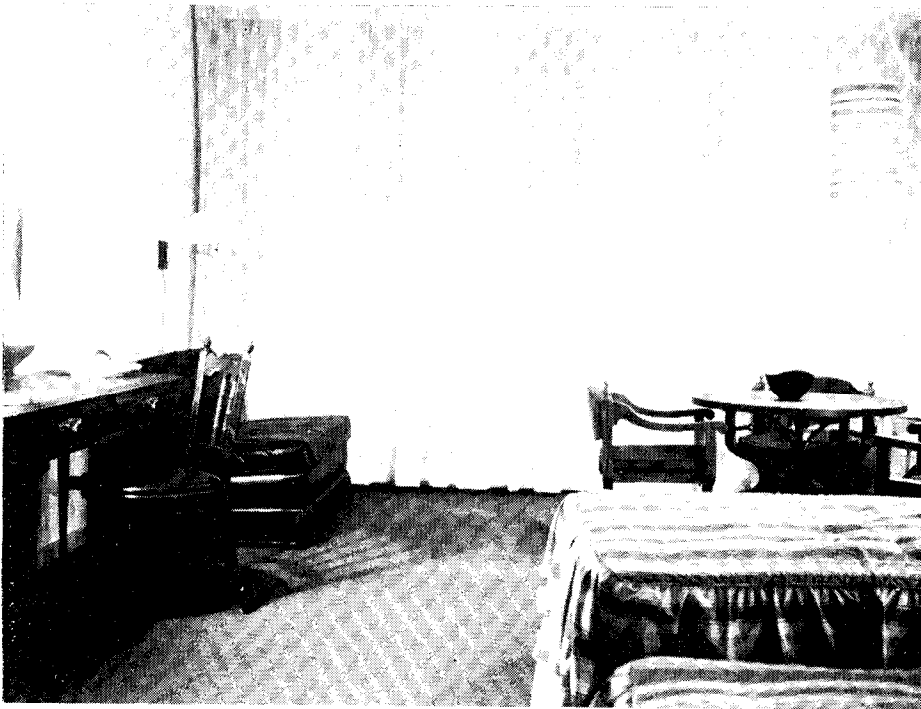

By serving from 12 noon to 7 p.m., lot owners can eat Sunday dinner at the Lodge immediately after church, or just take it easy and eat an early meal before heading home Sunday night.

Indian Lake Lodge is the place to go for Sunday dinner. See you there.

Friday night bridge parties are being planned in the lodge. Interested bridge players should write or phone the lodge for reservations. The Lodge supplies cards.

Indian Lake's New Hotel

Good Investment in Condominiums

This picture of a model room shows the interior of one of the 32 units in the new condominium hotel which will be built this summer at Indian Lake.

The room is 14 x 25 and will have 2 double beds, a day-night divan, shower, bath and vanity/sink refrigerator.

As a condominium, room owners can get a return on invested capital through pro-rata sharing of monthly rental receipts. Based on a 55% occupancy rate, room owners should receive approximately \$1,400.00 in annual income.

Almost anyone can own one of these rooms. The investment should be particularly attractive to some of the early property owners of Indian Lake and Lake Stonycreek who are now probably looking for another type of investment.

To the non-Indian Laker, there's more than just the investment potential in buying a room. Individual room owners become a part of Indian Lake's original charter of only 1500 property owners. This means they will have access to all social and recreational activities of the resort area.

Rooms are available for sale through Indian Lake Lodge. Call Bud Woltz, (814) 754-4616. Or, if you prefer, an investment packet can be mailed to you, or any of your friends interested in investment opportunities through Indian Lake.

Observe the Rules

Behaving on the Golf Course Is Easy

Golf is almost always played in the company of others. Therefore, everyone should understand how to behave on the course. Certain rules, or etiquette, are common to most golfers, even beginners, but they are always worth repeating.

An important thing to remember is that in addition to the safety of others there is a big investment in the golf course itself.

With these thoughts in mind, observing the rules makes more sense.

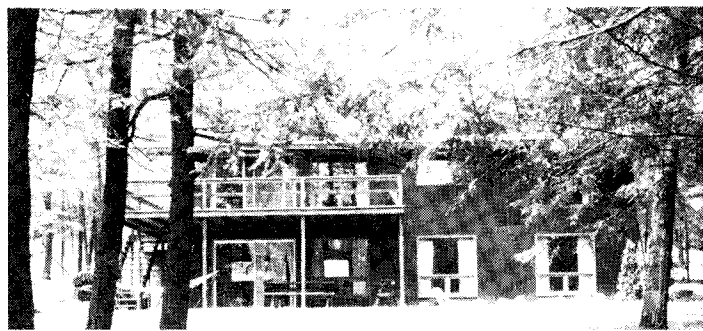

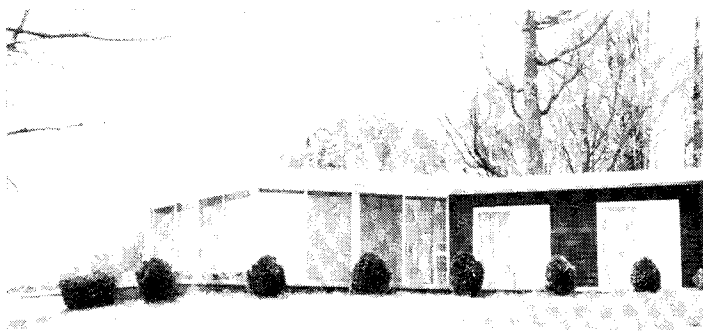

Here are some basic rules every golfer should know and observe:

1. Repair all divots. Do this by replacing the piece of turf torn up by your club. Press the grass down with your foot to encourage it to take root again.
2. Smooth out holes and marks made when playing out of a sand trap. Use the rakes provided for this purpose.
3. Avoid damaging the putting green. Repair (with a tee or similar object) all ball marks. Don't drop golf bags or the flagstick on the green, or pull golf carts across it. Also, don't lean on your club. It's no fun putting on a scarred green.
4. Do not drive motorized golf cars on or near tees, greens, or bunkers.
5. Do not talk or move while others are playing in your group. Do not stand too close to a player when he's shooting.
6. Do not hit your next shot until players in front are out of range.
7. When looking for a lost ball, allow players behind to pass. Do not hit until they have played through and are out of range.
8. Play without delay. Always be ready to hit when your turn comes.
9. After your group has holed out, go to the next tee immediately. Mark your scorecard on the tee, not the green.
10. Slow players having an open hole in front should allow players behind to play through.

All golfers should be familiar with the United States Golf Association Rules, particularly the changes that are made each year.

If you have a question about the rules, ask Jim Coleman, or consult your rule book. But remember, etiquette is important and makes golf more enjoyable.

HOME BUILDING CONTINUES TO INCREASE

Property owners of Indian Lake continue to express their enjoyment and confidence with this year-round resort area by building second homes at a steady rate. There has been an average of about 70 homes built each year for the past three years, including 10 full time residences. All indications are that this healthy building trend will continue.

Examples of outstanding quality and beauty in Indian Lake homes are shown above.

At left, is the second home of Mr. and Mrs. James Lyons of Ebensburg. An exciting design, the large hexagonal living area features sliding glass doors. The house was built by Wm. G. Baltzer and Son, Contractor, Shanksville.

The second home of Mr. and Mrs. Alvin Couch of Latrobe is shown at right. This handsome, two-level design, adapts well to its setting of woods and lakefront. Ralph Guarino of Indian Lake was the general contractor.

Both homes, reflecting Indian Lake style of living, are located on the peninsula and provide a beautiful view of the lake.

Turn in Score Cards

Handicaps Being Set For All Golfers

Golfers are reminded to turn in their signed score cards after each round in order to have an established handicap.

The handicap is particularly important this year as the first annual K. H. Wagner Memorial Tournament will be played under a one-half handicap rule. To be eligible for the tournament, golfers must have a handicap based on no less than 3 eighteen hole score cards.

With \$500.00 in prize money, gifts, and merchandise to be awarded, getting an established handicap here at Indian Lake should be uppermost in every golfer's mind. Another reminder to golfers is to check the new score cards. The course is now being played as originally designed.

Water Ski Club Plans First Show

Plans for the 1967 Indian Lake Water Ski Show were outlined at a meeting Saturday, May 13, in the Lodge.

Tentatively, Saturday, July 22, has been set for what promises to be a thrill-packed show.

Mr. Carl Ringler of Greensburg again is acting as advisor to the water skiers who will participate in the show. Les Scenna, Bridgeville, is president of the ski club. Other officers for the year are: Jim Kruzivich, vice-president; Linda Schweitzer, secretary; Barry Long, treasurer. Committee members are: Bruce Corna, Jack Butler and Linda Berinti.

Another important meeting is set for Saturday, June 10, in the Lodge. Anyone interested in participating in the show should attend this meeting. You don't have to be an expert skier to take part in the show. Just come to the meeting and you'll find out how easy you can become part of the show.

Ladies Day Opens June 8

Thursday, June 8, is opening day for the weekly Ladies Day at Indian Lake.

Activities start off with a luncheon, followed by golfing, or card playing for the non-golfers.

All women who participated in the Ladies' Day activities last year are expected back again this summer. But new members are welcome to come out and join in the fun. Donna Stebbins, chairman of the Women's Golf Association, said, "It's the friendliest group of ladies you'll find anywhere when it comes to golfing, card playing, or just having a relaxing day."

The first inter-club match is scheduled for June 22 with Middlecreek coming to Indian Lake.

Other matches are scheduled for Somerset and Foxburg on a home and away basis. Bring guests if you'd like to plan your own foursome. Just call the Lodge to reserve a golf cart.
