## NEW BAHAMAS PROJECT STARTED

Allegheny Mountain Lakes, Inc., developers of Indian Lake, has embarked on a new development in the Bahama Islands. A separate corporation, Carribbean Properties One, Ltd., has been formed for this new south-sea venture and includes the management everyone knows so well at the Lake, plus the designer of Indian Lake's new championship golf course, Arnold Palmer.

Details on this fabulous investment opportunity have been discussed in and around the Lodge for the past few months. This was done to enable present lot owners to participate in this program prior to any national advertising. And with this writing, the offer is still available because advertising won't begin until early 1967.

What is this fabulous investment opportunity? Simply this. A one hundred unit hotel will be built on Eleuthera Island in the Bahamas. Construction is scheduled to begin this fall. But the exciting part is that each room will be individually owned, hopefully by you, your friends or neighbors. The idea, of course, is that when you're not using the room while on vacation, it is being rented to tourists who flock to the "Out Islands" of the Bahamas.

When presented with the facts, you'll quickly see what an attractive investment opportunity this is.

And if you want to see what kind of room you'll be buying, you don't have to go any further than Indian Lake. A completely furnished room is open for your inspection at the Airpark building.

For Indian Lake residents, the experience management gains in this type of expansion program will result in improvements in overall community operations and customer relations in connection with recreation and land development.

More information on this Bahama project is available at the Lodge.

## LEARN TO FLY

Steve Balogh, Lake resident, checks out one of the new Beechcraft Musketeers purchased by Indian Lake to be used as trainers in the Lake's Learn To Fly program.

Private air travel is growing more popular every year as more and more people take to the skies for business and pleasure. Generally, the average time required to obtain a pilot's license is 40 hours. But it won't take you very long to find out that not many sensations compare with the peacefulness and freedom of flying.

Now, you too can learn to fly through a certified program of instruction at the recently completed Indian Lake Airpark. To help you get acquainted with flying and if you're seriously interested, a FREE flight lesson is yours by simply showing up at the airport and saying you want

to fly.

The complete course of instruction is taught by an experienced pilot certified by the Federal Aviation Authority and includes 20 hours of dual instruction, 30 hours of solo instruction, ground school and all books, manuals and charts. The total cost is \$795.00.

Lessons can be scheduled at your convenience, including Saturdays and Sundays. So, come out and take advantage of your FREE flight lesson. You'll find the instruments are simple, the controls understandable, and flying is great.

## PAUL TARNUTZER WINS SAILING REGATTA

Indian Lake's First Annual Sailing Regatta was held on Labor Day . . . a graceful salute to the end of the summer season.

Sailing smoothly 'neath sun and cloud a small fleet of assorted sailcraft left Long's Marina, glided along the 20 mile shoreline, circumnavigated the Lake and returned to the Marina.

## "FORE" FIRST LADIES

As the saying goes, "Nothing ventured- Nothing Gained!" Polly Poorbaugh, Barbara McIntyre, and Winnie Coleman, the three golf chairmen who were responsible for launching the first ladies day at Indian Lake expressed some doubt as to the outcome of the affair at its beginning. Now they are elated at the response and enthusiasm that was shown. According to

## SKI SEASON ALMOST HERE!

As the leaves leave the trees, and the boats leave the lake, Indian Lakers are leaving their water wings, reluctantly relegating their golf clubs to the closet, and turning their thoughts to snow—and to skiing.

An early indication of the approaching season of winter fun is the upcoming ski fashion show Saturday, November 5. The occasion will also mark the opening of the Ski Shop.

The fashion show, directed by Linda and Willi Klein, will feature the latest in stylish ski wear for men, women, and children. The outfits to be shown are from the fashionable collections of McGregor, White Stag, Jack Winter and many others. All will be available at the Ski Shop which will be open every weekend starting November 5th.

The Ski Shop, a center of winter activity and favorite hangout for ski buffs, is operated by ski pro Willi Klein and his lovely wife, Linda. The Shop this year will be well stocked with new skis and ski equipment. And, for the first year, a trade-in program will be offered for all kinds of ski equipment in addition to the new lines. Ski rental service, which includes expert fitting, will also be available for everyone to enjoy the fun and excitement of skiing.

### LESSONS AND EXPERT ADVICE

Young or old, novice or expert, this may be your year to take skiing lessons. And, Indian Lake residents are fortunate in having one of the best qualified ski pros in the area.

A native of Austria, Willi was first certified as a professional ski instructor in 1960 by the Austrian Federal Government. To obtain this classification, he was required to complete the famous Kruckenhauer Ski Teachers Course in St. Christopher am Arlberg, Austria. A requirement of the two year school, in addition to expert knowledge in the art of ski instruction, is the ability to speak and to teach in two foreign languages other than German.

Willi became an American Certified Ski Instructor in March 1964 when he passed the Eastern Amateur Ski Association certification test.

He was previously an instructor at the Penny Pitou Ski School in Canton, Massachusetts, run by former Olympic Stars, Penny Pitou and Egon Zimmerman.

Willi hopes this year to organize two racing teams to represent Indian Lake in competition with other areas in the Pennsylvania Racing Circuit. The teams will be coached by Willi on Saturday afternoons.

Two major events of the winter season have already been scheduled. They are the Ski/Swim meet Dec. 26, and the Indian Lake Championship Races, February 12.

With the installation of the new poma lift on the intermediate slope and the new snow making equipment, it promises to be a great season of fun on the slopes of Indian Lake . . . all we need is a little snow.

## WANTED

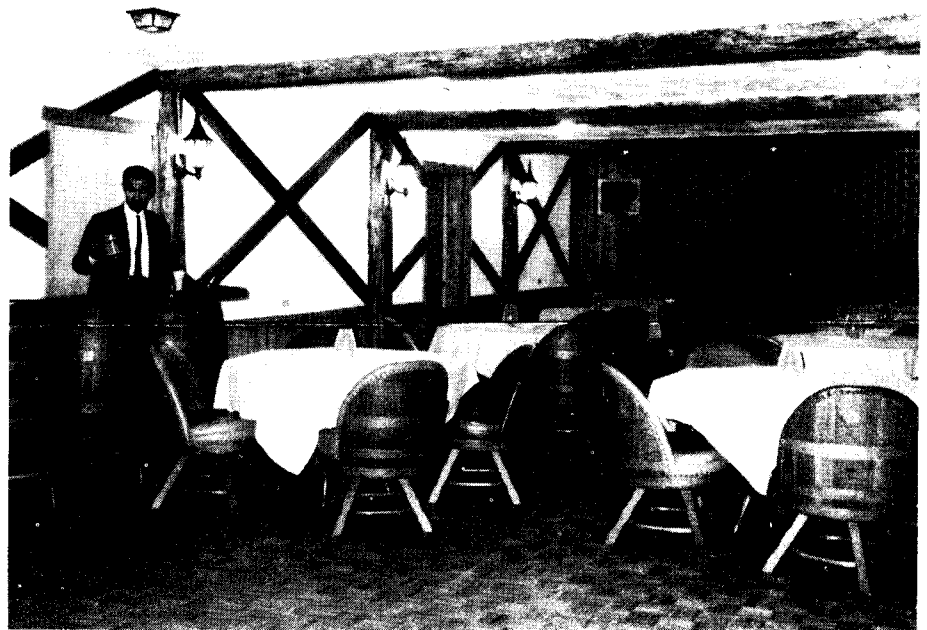

### 5 INDIAN LAKE SHOOTERS

Just a reminder to Indian Lake Shooters. You can qualify for a fun-filled weekend in England and a chance to be crowned as a member of "The Winchester National Claybird Team Champions." Enter the competition now. Even beginners have a chance to win in their own class.

The Indian Lake Winchester Gun Club is sponsoring participation in the national competition being conducted between August 15 and December 11. The Grand Finals will be held at River Ranch Acres in Florida sometime in January and will be covered by CBS-TV Sports Spectacular for National viewing. Five Indian Lakers will be there. Maybe you'll be one of them.

For more detailed information and a list of the contest rules, check at the shooting center or Indian Lake Lodge.

### A LITTLE BIT OF OLD ENGLISH

A bit of old English has come to Indian Lake. The English Pub Lounge, complete with beamed ceiling, barrel chairs and brick fireplace is completed and available for private parties, meetings or just relaxing.

The warm cozy atmosphere of the Pub

Room is ideal for small quiet parties—or wild celebrations. Just make reservations through the Lodge office.

This fall gather your friends around, fill your tankard to the brim, and talk to the pleasant roar of a blazing fire. What could be more heartwarming on a chilly fall day?

## PALMER PLEASED WITH NEW GOLF COURSE PROGRESS

Arnold Palmer took a few weeks off the golfing tour, but he wasn't completely away from golf. He spent a few days here at the Lake with Jim McIntyre checking construction progress on the new championship golf course. He also studied possible improvements to be made on the present nine hole course.

In a way, the construction on this new golf course is reminiscent of the early days of the lake construction. For those early buyers of lakefront property, it took some imagination in terms of the lake being filled with water. But today those people are quite happy with their investment. And so it is with this new golf

course. The fairway lots that are available for sale are a good investment for anyone. Remember, if any of your guests buy one of these beautiful lots, you gain a handsome gift certificate, and Indian Lake also adds another good neighbor—just like you.

## TWO BIG DANCES PLANNED FOR OCTOBER

### HARVEST BALL

October 15 will find the Indian Lake Lodge aglow with soft lights, soft music and an aura of autumn romance, as Indian Laker's once again attend the popular Harvest Ball. Those who attended the Ball last year are eagerly looking forward to the affair—one of the grandest on the year's social calendar.

Past formals at the Lodge have all been truly "affairs to remember" and this one won't be any exception. Mark the date on your calendar and be sure to attend Saturday, October 15. Volunteers are needed to help decorate the Lodge Friday night. Why not come out and join in this fun too!

### HALLOWEEN DANCE

Following rapidly on the heels of the gala Harvest Ball is the always riotous and entertaining Halloween Dance. The Dance is scheduled to be held October 29 in special honor of the Great Pumpkin and friends.

Goblins and spirits will be out in full force and a few witches have promised to fly in for the occasion, so, if you dare to venture out on this wild and unpredictable evening—plan to have an exciting time. Remember that date too—Saturday October 29.

## PARKER WINS CLUB GOLF CHAMPIONSHIP

Joe Parker shot an opening round par 72 and went on to win the 36 hole Indian Lake Club Championship by 4 strokes over Jack Butler. The tournament was played Saturday and Sunday, August 6-7.

Don Landis and Steve Balogh finished in a tie for third place, 8 strokes off the pace. T. O. Smith, 1965 champion, was unable to play this year because of ill health.

Parker finished the 36 holes with a 72-81 and a 153 total to Butler's 79-78 156. This marked the second runnerup finish for Butler in championship play. He lost last year by one stroke to Smith.

Parker gained a sizeable edge during the first round on Saturday by finishing the back nine with a two under par 34 for his par 72. Sunday's final round began with Parker 7 strokes in the lead—a tough gap for the three closest opponents, Jack Butler, Don Landis and Steve Balogh to make up. They waged a good battle, but it became obvious that Parker's win had all but been secured in the first day's play.

It looked for a while as if Butler might upset Parker's plans. By the end of the front nine holes he managed to cut three strokes off the lead with a 38 to Parker's 41. Butler's chance to make a real charge came on the fourteenth hole, "the monster," when he got a birdie three and Parker a bogey five. Parker, however, got

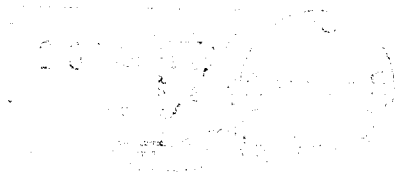

the two strokes back on the par five fifteenth hole by reversing the action with a birdie four to Butler's bogey six. From here on Parker was on his way to victory, even with a 4 putt green for a double bogey seven on the final hole.

Fifth place in the championship flight went to John Legath with Frank De-Villing's finishing sixth.

### NEWBY WINS 1ST FLIGHT

In the First Flight competition Don Newby won easily with an eleven stroke margin over Willi Klein. They were all even at the end of the first eighteen. Billy Baltzer finished third, followed by Jim Balogh and Bill Sims.

Congratulations to Joe Parker who now joins Art Poorbaugh, 1964 winner and T. O. Smith, 1965 winner as club champions.

**THE SMOKE SIGNAL**  
**INDIAN LAKE LODGE**  
**CENTRAL CITY, PA. 15926**

**“FORE” FIRST LADIES**

*continued from page 1*

Polly Poorbaugh. “We are thankful and grateful to all who participated—from the greenest “Hubbers” to the few old pros.”

The first Ladies Day opened with a luncheon and piano entertainment by Linda Fox. Following the luncheon, tentative plans were discussed for the summer and the women were treated to a golf clinic conducted by Jim Coleman and Denny Robinson.

The subsequent Thursdays followed the same pattern—sweet rolls and coffee at 9:00, off to the links, back to the club for clinic to correct the swings, the “hubs”, the chopping—then more golf!

The group managed to get around pretty well socially. During the summer they were both host and guest to Farnham and Middle Creek. Next year's plans call for the entertainment of possibly two more groups.

**LADIES/MEN'S GOLF BANQUET**

The season ended with the playoffs for the ladies championship in two flights. The winners are a carefully guarded secret and will be revealed at the Golf Banquet October 21.

The Banquet will begin at 6:30 Friday Night and will be followed by a dance—with Jim Russel at the organ. Awards will be presented to winners of both ladies and men's golf competitions. It's a great way to get acquainted with your new neighbors so plan to attend. Ladies bring your husbands—men bring your wives.

**SAILING REGATTA**

*continued from page 1*

The first to finish was Paul Tarnutzer who navigated the course in 2 hours 45 minutes to beat out the second place winner, Ben Shaw, by five minutes.

Although the Regatta was an exciting event for participants and spectators alike, a little of the thrill and competitive spirit was lost because the competing crafts were not all equally matched in size, speed and maneuverability. Hopefully there will be a large enough interest in future races to permit setting up a one class design competition.

There seems to be a sufficient number of Sailfish on the Lake to establish a separate class. There are also quite a few “Widgeons”—the boat selected earlier by the Indian Lake Sailing Club as the best craft for our Lake. One class competition would put the burden of winning solely on the skill of the sailor.

**JUNIOR SAILING RACES SCHEDULED**

A Junior Sailboat Race will be held Sunday, October 16, to give the younger set a chance to demonstrate their sailing skill. Anyone between 8 and 16 is eligible to compete.

The boats will leave Long's Marina at 2 P. M. to navigate a three mile triangular course to be laid out in the main body of the Lake by the Marina. The race is to be a test not only of speed but of skill in the areas of tacking, running, and reaching.

If you are between the ages of 8 and 16, grab the nearest sailboat (not in use) and enter the race. Just take a dollar to the Lodge Office and tell them you would like to enter the Junior Sailing Races.

**SAILING BANQUET SCHEDULED FOR OCT. 29**

First and second place winners of the First Annual Sailing Regatta and the Junior Sailboat Races will be honored at a banquet Saturday, October 29 at 7:00 P. M. in the Lodge.

All persons interested in attending the banquet can secure tickets at the Lodge Office. Adult tickets are \$2.50—children's \$1.50. Come and enjoy a delicious Italian spaghetti dinner and help applaud our Indian Lake Sailing Champions.

Mr. J. G. Schenck will be there to discuss some of the fine points in selecting and handling sailcraft.

It should be a fun and an interesting evening so make sure you get your ticket before noon, Saturday October 9.

**ARNIE'S SCOREBOARD**

**Up to Thunderbird Classic, Aug. 11**

Player	Official Events	Win	Place	Show	Scoring Average	Official Money	Aver. Per Off. Tourn.	Unofficial Money*	Total Money
2. Arnold Palmer	14	2	1	1	70.83	71,617.98	5,115.57	18,833.53	90,451.51

\*Includes money won in unofficial events such as the Crosby Ntl. Pro-Am, Hope Desert Classic and Caribbean tour, plus various pro-ams. Does not include special hole-in-one prizes.
