Ski Club Update

The Ski Show sponsored by Indian Lake Ski Club was a success based on outstanding turn out and viewer comments. Plans are already in the works for the show next year. Any suggestions or comments are welcomed and encouraged. Also, next season's activities are in the planning stages. If you have ideas for programs, clinics, etc., call Drew Petrillo at 754-5090.

Volleyball Tournament A Great Success!

Our first 3-person Volleyball Tournament was a great success! Ten teams participated with the unique team of three generation members taking the crown: Dustin Kent Howarth, his father Terry Kent Howarth (both former Indian Lake residents) and his "three quarters of a century old" grandfather, Robert Kent Howarth, who has lived on Indian Lake for 30 years. Coming in a "scrappy" second was the team of Matt "The Hammer" Shaffer, Eric "The Great" Palenik and Gail "I'm Better Than These Guys" Wildermann. Thanks to all the participants!

Pow Wow Pier

The Pier will be open, weather permitting, through September. Hours of operation will be Friday 5-10, Saturday 11-9, and Sunday 11-5. Please stop by for a game of volleyball or a cool drink! If you'd like to plan a party or a volleyball tournament, call Paul Davis (754-4975) for more info!

Next year, we'll be having a volleyball league each week with major tournaments on Memorial Day Weekend, July 4 weekend and Labor Day Weekend. Don't miss it!

Bridge Lessons at Lodge

Recently, bridge lessons for beginning level players was started at Northwinds Lodge. According to Bob Dunning, instructor for the lessons, the series will continue each Wednesday starting at 7:30 p.m. and continuing till 9:30.

The first 30 to 60 minutes will be used for lecture and discussion with some time used for review of prior sessions. The balance of the evening will be devoted to practicing what has been learned in the evening's lecture. This series will teach the American Standard system as covered in the book, The Fun Way to Serious Bridge, by Harry Lampert, Simon and Shuster, New York, 1978.

All "beginners" are invited to attend. Those who are already bridge players are encouraged to come to the sessions both as a refresher and to provide "partners" to the beginners as they practice. There is no fee for the lessons and complimentary coffee and tea will be served. For more information call Bob Dunning at 814-754-4239.

Coming Events at Lakewood G.C.

Every Thursday evening, beginning at 6:00, we have a scramble format, open to the public. Men, ladies and seniors are all invited. Teams are picked at approx. 5:50. Come as a single or bring friends; it's a great event!

Starting in September, Tuesday evening is Special Event Night! This is also open to the public with everyone welcome. Every Tuesday at 5:30 p.m., we will play a different game format, i.e.: Scotch two-some or three-some, One Club, Best Ball of Two or Three, International, etc. You won't know what you're playing until you arrive. This event is sure to bring a lot of fun to your game!

The Fourth Annual Bobby Veil Memorial will be held Sept. 12. Benefits from this tournament have been presented to families financially burdened by expenses incurred for the medical treatment of an ill child. The 1990 Tournament raised just over \$600.00, 1991: \$1,200.00 and 1992: almost \$2,000.00. All of this was done through player participation, individual donors and local business contributions. The Bobby Veil Memorial Tournament Committee is once again asking for your support for this worthwhile event either through your participation or donation.

Men's Leagues Finish Play

Both Men's Leagues have finished play. The Monday Night League was won by the team of Mike Abramoulich and John Keller with a 12 win, 3 loss record. Thursday's Men ended in a tie between Mike Campbell/Dan Shaffer and George Ross/Terry Swank. Campbell and Shaffer won the League Championship in a nine hole play-off. Both play-off teams had an 11 win, 2 loss record. Great scoring guys! Congratulations!
