Private Pilot Ground School to Begin April 19

New Six-Week Session Open To Men, Women, Boys and Girls

A six-week private pilot ground school will be held at Indian Lake Air-Park for men, women and boys and girls 16 years of age and older.

The school will be conducted from April 19 to May 24 and will be given for men and women from 7:30 to 10:00 p.m. Fridays. Instructions for boys and girls over the age of 16 will be given from 9:30 a.m. to noon on Saturdays, beginning April 20.

The course is designed primarily to prepare students for Federal Aviation Agency's written examination for a private pilot rating. Class material is organized in six sections, beginning with a preview of the aviation field and ending with the FAA regulations. Other sections cover flying preliminaries, flight computer, navigation and meteorology.

Ground school classes are separate from actual flight instruction. Students must pass the written examination before taking a flight test. There are no prerequisites.

Persons interested in enrolling in the ground school should call Indian Lake Air-Park at 814-754-5159. Total cost for the six-week course is \$50.

New 32-Room Hotel Nearing Completion

Indian Lake's new 32-room condominium hotel is nearing completion.

All rough plumbing and electrical work is completed, as well as the installation of heating elements for electric heat.

Carpeting, paneling and installation of light fixtures will begin as soon as plastering is completed. Outside stonework and siding will be completed as weather permits.

The hotel is scheduled to open May 1.

Broadway Experience

Top Vocal Duo Heads Big Entertainment Night April 6

Bill and Betty Thunhurst, a fine vocal duo with Broadway experience, will highlight the monthly variety show at Indian Lake Lodge Saturday night, April 6.

Bill and Betty met while appearing with Mary Martin in the Broadway show "South Pacific." They have each appeared in many Broadway shows: "Arms and the Girl" with Nanette Fabray, "Miss Liberty" with Eddie Albert and "Pal Joey," to name a few. Bill has starred in leading television dramas and is now a Radio-TV Director in Pittsburgh.

His wife, using her maiden name of Betty Gillett, toured the country co-starring with Carol Channing in "Wonderful Town," appeared opposite Robert

Horton at the Civic Light Opera in "Oklahoma" and "Carousel," "Wonderful Town" with Nancy Walker and with Andy Devine in "Show Boat." She is now the Bell Telephone Weather Girl on Channel 11, Pittsburgh.

Nick Covato of Cleveland, an outstanding comic in the entertainment world, will round out the program for the evening.

The first show will be presented at 9:30 in the banquet room and the second at 11:00 in the main dining room. Music for your dancing pleasure will be presented by two fine bands—The Melody Men and Laddie Timko. Jimmy Russell and Bill Schaefer will provide the dinner music.

Reservations will be accepted for those who will be ordering dinner.

April 27

Circus Costume Party To Be Held at Lodge

"Come one, come all, it's circus night at Indian Lake Lodge."

High flyers, clowns, pitchmen, animals . . . all are expected for "The Greatest Show on Earth" at the Lodge Saturday evening, April 27.

It's a costume party so let your imagination run wild when considering your favorite circus character or animal. Mearl and Audrey Johnson, advisors for the big night, would like everyone to get in on the act. Circus posters and trappings of the Big Top will be used to decorate the Lodge.

Prizes will be awarded at the dance for best, funniest and most unusual costumes. Plan now to attend this great event.

Photo Contest

Indian Lake, in cooperation with Laurel Highlands, Inc., will sponsor a photo contest beginning in June.

Details and rules of the contest will be announced very shortly. Meanwhile, start planning your shots now. You may be a winner.

Spring Formal Set for April 13

Indian Lake's annual spring formal has been scheduled for Saturday night, April 13.

Although formal attire is not required, it is hoped that many will wear formal dress.

This is one of four "dress-up" dances of the year. Music for the dance will be furnished by your old favorites, The Melody Men.

Member-Guest Program Grows

Indian Lakers are always entertaining guests. Proof of this fact comes from the interest shown in all of the past referral contests. Now, members (season pass holders) of Indian Lake Lodge are taking advantage of the "Member-Guest" program at the Lodge in increasing numbers.

For those of you who may have forgotten the program, here is how it works. Four times a year (once in each quarter) you may bring a family of guests to Indian Lake to enjoy the recreational facilities. You and your guests and their children may swim, golf or play tennis without charge. They will each be given a guest card which entitles them to use the facilities for the weekend, just as if they were members.

Just one more advantage of being a member (season pass holder) at Indian Lake Lodge.

Pittsburgh Office Opens

Indian Lake has opened a real estate sales office in Suite 1317, Carlton House, downtown Pittsburgh. The new office is being managed by Glenn Boyer of Indian Lake. Rish Willis is assistant manager.

In addition to being set up to transact the sale of Indian Lake properties, the suite also has a model condominium hotel room completely furnished to represent a room in the new 32-room hotel which is scheduled to open May 1.

Several condominium hotel rooms are still available for sale. If you or your friends are interested in owning a room, staying in it when you want, and still receive an income, stop in the office and get complete details.

Costume Carnival Parade

Happy skiers are shown here scampering to stay behind ski pro Willi Klein during the big parade at the Costume Carnival which was held Saturday, February 24.

The carnival was quite successful and will become a regular event on the winter social schedule.

Ski Jumping At Carnival

Seven-year-old Jeff Daggett of Johnstown makes a good jump at the recent ski costume carnival.

A parade, ski jumping and skiing through an obstacle course were some of the activities included in the fun-filled carnival.

Indian Lake Water Ski Club will hold a meeting at 11 a. m. in the Lodge, Saturday, April 20. Purpose of the meeting is to recruit new members and discuss plans for 1968.

"Ya' Hoo, I'm a Bird"

"Ya' Hoo, I'm a bird." That's what Jim Schenck of Pittsburgh was probably singing as he came flying over the ski jump at the costume carnival February 24.

Jim didn't win anything for his big jump because he was tagged with a penalty for not wearing a costume.

The carnival was a delight for adults as well as the youngsters.

Impressive Array of Champions at Indian Lake

Records of Titleholders Were Started in 1964

Tennis, Water Skiing, Swimming and Horseback Riding Champs To Be Named for 1968; Banquet This Fall

In just four years Indian Lake has developed an impressive array of champions in some of the major sports played within the three thousand acre recreational complex.

It will be seven years in April since the building of Indian Lake began. But, recording of official results of tournaments did not begin until 1964 when the club golf championship was decided. Since then seventeen titleholders have been put in the books of Indian Lake sporting competition.

To keep up with this illustrious group an Indian Lake Champions Banquet is being planned for this fall to honor current and past sports champions. Hopefully, prominent guests from the sports world will be in attendance.

Recognition will be given to champion golfers in the men's, women's, junior boys', junior girls' categories; men's and women's ski champions; trap and skeet champions; and tennis, swimming, water skiing and horseback riding champions, which will be determined this summer.

Guillotine Execution?

Also, don't forget the Friday night informal dance parties. There's always friendly people, dinner menu special and a fine combo on hand for entertainment.

Unique Competition

Golfer-Shooter Tourney Scheduled for June 15

A golfer-shooter tournament, in which golfers who are unskilled in trap shooting compete against trap shooters who are equally as unskilled on the golf course, has been scheduled for Saturday, June 15.

The unique competition will get underway at 11:00 a.m. with trap shooting at the Indian Lake Shooting Center, followed by lunch, and nine holes of golf in the afternoon. A cocktail party at 5:30 p.m. in the Pub Lounge will climax the big day.

Awards will be presented to the top gun, low net golfer and best combined score. Handicap scoring will be used for both events.

Plans for the tournament came about as a result of some wild claims about skill from shooters, and claims equally as wild from golfers. Right now it appears the only thing either side has going for them is talk. Anyway, Saturday, June 15 promises to be an interesting day for the men at Indian Lake.

Entry fee, including costs for both trap shooting and golf but not lunch, is \$7.50 per person for Lodge members (season pass holders). Fee for non-members is \$10. Fee also includes cocktail party and prizes.

Make plans now to compete in this unusual tournament. Register at the shooting center or Lodge office.

Indian Lake is beautiful year-round, as shown in these two pictures which were taken from behind No. 10 tee of the new 18-hole championship golf course. The course is being built under the direction of Arnold Palmer.

Most golfers will concede that the two scenes are beautiful, but the one on the right is certainly a pleasant reminder that the golf season soon will be here.

The picture of the winter scene was taken in February, while the golfing scene was taken last October. The new course will not be open until 1970. Models in the golf picture are Billy Baltzer (teeing up), Glenn Boyer and Nancy Guarino.

Boys 8 to 18

Week-long Golf School To Begin June 23

Youngsters Should Sign Up Early; Enrollment Limited

Plans have been completed for a one-week golf school from June 23 to 29 for boys aged 8 to 18. The school is separate from the Saturday morning junior golf clinics scheduled to begin June 29.

Participants will be given in-depth instruction on such things as stance, grip, backswing, follow-through and putting. By the end of the week youngsters should be thoroughly acquainted with the principle of fast hand action in the hitting area and its importance in developing a grooved swing. Films and lectures will be given in the evenings to illustrate other fine points of golf.

Other activities, including swimming, will be included in the week-long program to give the boys a well-rounded week of fellowship and training.

Denny Robinson will be in charge of the school.

The rate for the week, including lodging in the chalets or hotel, three meals a day, greens fees and extensive golf instruction, is \$110.

With the big prize money today on the professional golf tour, the \$110 could turn out to be a small investment if natural golf ability is uncovered in any of the youngsters in the school. Who knows?

Register now for the one-week golf school by mailing the application below to:

Pre-Season Golf Clinics Set for April 26-27

Junior Clinic to be Held Saturday, April 27

Indian Lake's annual pre-season golf clinics will be held Friday and Saturday, April 26-27 at the Lodge.

The adult clinic has been set for 8:00 p.m. Friday, April 26 and the junior clinic will be held at 11:00 a.m. the following day.

Instructors Jim Coleman and Denny Robinson report interest is high and both expect a big turnout for these first organized golf activities of the year.

Jim and Denny feel that more individualized instruction can be given by having the sessions separately. At least one film, possibly two, will be shown at the clinics.

The golf season is here. Start the year off right by learning more about the fine points of the game.

Golf Season Near

Jim Coleman, Indian Lake golf pro-manager, checks over his stock of new golf clubs in preparation for the 1968 golf season.

If you're planning to buy new clubs this year get in touch with Jim now by calling 814-754-4616 during the day and 814-267-5120 in the evenings.

Indian Lake golf activity gets under way Friday and Saturday, April 26-27 with the adult and junior golf clinics. Everyone is welcome, so plan now to be on hand for these informative sessions.

Tuition fee is \$5 for Lodge members (season pass holders) and \$7.50 for non-members. The fee includes six lessons, balls, entry fee for tournament, trophies and picnic.

Golf Schedules Set for 1968

(Continued from page 4)

August 18—Club Championship.

Changes and additions to any of the above schedules will be announced in THE SMOKE SIGNAL.

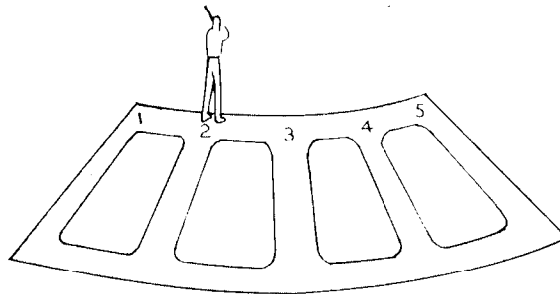

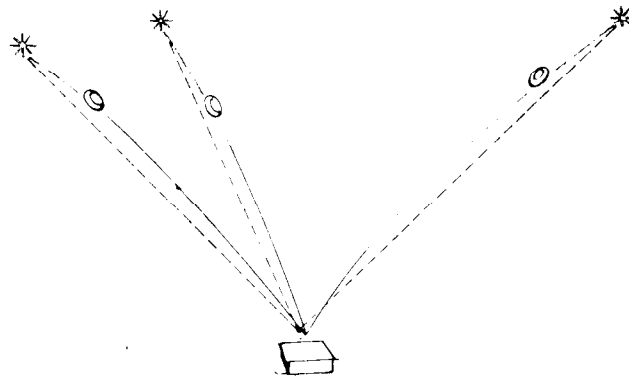

A condensed 8-page, full-color booklet called "Win Your Wings" is available to prospective student pilots from Indian Lake Air-Park. The booklet is a step-by-step guide to obtaining a private pilot's license. It begins with enrolling in flying school and ends with comments on FAA written tests.

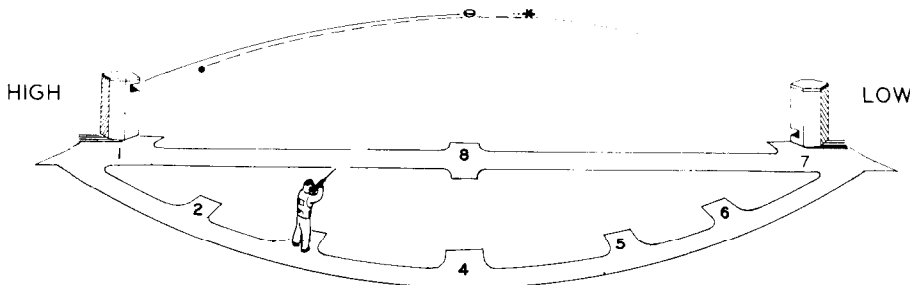

Fundamentals of Claybird Shooting

Trap and Skeet

Targets in skeet shooting are always thrown in the same pattern of flight, but the angle of the shot varies because the shooter changes positions by moving from station to station. While shooters also change positions in trap shooting, the basic difference comes from the fact that in trap the targets are thrown at various angles unknown to the shooter. The diagrams printed below illustrate these basic principles.

The diagram above shows a trap field with the shooter at Station Two. Note the other three stations that the shooter must use during his round of 25 shots. The diagram also indicates the various angles in which the targets are thrown from the target house.

This diagram shows a skeet field with the shooter at Station Three. There are eight stations that the shooter must use during his round of 25 shots. The diagram also indicates the high and low houses from which targets are always thrown in the same flight pattern. The angle of the shot varies because the shooter changes positions. In this diagram the shooter breaks a target from the high house.
