NORTHWINDS LODGE LOOKING FORWARD TO A SUCCESSFUL SUMMER

NOTES FROM THE GM

The Northwinds Lodge has committed itself to providing excellent food, service, entertainment, and recreation to all its guests. In order for us to earn the reputation as the best, we must create an environment in which management and staff can build a bond of trust that is perceived by our guests as genuine and sincere. We plan to accomplish this by approaching our business with a positive, objective frame of mind, and by working together as a team.

We would like our guests to be a part of our team. We are asking our guests to help us in our quest for excellence. Please let us know what you think of our performance. Your input is very important to us, as we are here to serve you. Please let us know when our efforts are paying off! We also ask that you give us the opportunity to correct our mistakes. We are doing our best to serve you.

Our business here is a challenge. We welcome your comments and are determined to be successful. We believe that our efforts, coupled with your support, will see results in a growing, expanding business, that will benefit us all.

Paul Davis
General Manager, Northwinds Lodge

SOCIAL DIRECTOR JOINS STAFF AT NORTHWINDS LODGE

Please join the staff of Northwinds Lodge as we welcome our intern, Lauren Gavlak, to The Lodge as Social Director.

Lauren will assist The Lodge with responsibilities that include overseeing the operation of the Under 21 Club and The Pow Wow Pier (plans are under way for its opening, watch for details at The Lodge). Lauren will also coordinate our social schedule for the summer.

Lauren has just completed her junior year at Pitt and is full of ideas for The Lodge and guests to enjoy. We are confident that Lauren will contribute to the success of The Lodge in the summer months and are looking forward to working with her. When you are at The Lodge, look Lauren up and say "Hi!"

THAT'S ENTERTAINMENT

Northwinds has promised to bring the area's best entertainment to The Lodge. For details, please see our calendar for a schedule of June's Activities and Entertainment.

DALE PHILLIPPI WINS ONE CLUB TOURNAMENT

Congratulations to Dale Phillippi, winner of the One Club Tournament held at Lakewoods Golf Course on May 15th.

Dale used his 4 iron to blast his way to a score of 48. Clyde Custer finished a semi-close second with a 50.

Pretty impressive Dale! Dale's victory earns him dinner for two at the Northwinds Lodge...A great way to sample off our new menu!

LOOKING TO THE 4TH

July 4th weekend promises to be one you won't want to miss! Entertainment includes the popular, classic rock band "Nomad" on Friday, July 2 and introduces The Lodge to Queen Bee and the Blue Hornet Band on Saturday, July 3. You'll want to check out this band, as they'll be playing dance music that everyone will enjoy!

Be sure to stop by the Pow Wow Pier to catch the fireworks. Watch for further details about this exciting weekend.

THE NORTHWINDS NEWS!

BRIDGE ACTIVITIES PLANNED

A variety of bridge activities are being considered. Of immediate interest is a duplicate bridge tournament scheduled on May 28, 1993, starting at 7:30pm.

Two flights will be available, one for regulars and one for beginners. It is important for beginners to realize that when one is starting, you should play just as you would in contract or party bridge...then someone will tell you if you won at the end of the evening!

Prizes will be awarded for the first and second place teams for north-south and east-west and each flight. First Place will have their choice of a free dinner at the Lodge or 18 holes of golf with cart. Second place can choose between a lunch or 9 holes of golf.

With enough interest, a monthly duplicate bridge tournament of club may be created. Clubs are also being considered for Ladies, Men, and Couples.

If you are interested in any of these, be sure to include it in the enclosed questionnaire. For bridge info, call Bob Dunning at 754-4239.

The club also installs and maintains a slalom course near the dam.

The club hopes to attract many lovers of the sport for fun and activities. Many activities are already being planned for the 1993 season!

For an application and additional information, please call Drew Petrillo at 754-5090.

We hope that you will join us at our Free Ski Clinic. It's a great chance to come and see what our club is all about, meet new friends, and have some fun at the same time!

Some activities already being planned include at Bass Tourney. Details on this tournament will be posted at the Marina the week of June 6.

One June 26, the Fish Club is planning to host a Pontoon Party. If you don't have a boat, just mosey on down to the Pow Wow Pier, and check out the other boats. The boats are to be decorated Western-style! We'll do our best to get you partners without boats a ride! A Bull Roast will follow with a campfire sing-along let by the Northwinds Choir.

INDIAN LAKE GOLF CLUB SOCIAL EVENTS SCHEDULED

The Indian Lake Golf Club has a full schedule of social activities planned for the 1993 season. This month's event is a Regatta and Cocktail Party on Saturday, June 19. July's upcoming event will be a Family Picnic on Saturday, July 3.

For more information, contact the Indian Lake Golf Club.

Also, remember that the Lake-wood Golf Course is expanding to 18 holes. The opening is planned for Spring of 1994.

Watch the club for more information and details.

FREE BOAT INSPECTIONS OFFERED

Saturday, June 12, the US Coast Guard Auxiliary, in conjunction with our police department, will be conducting voluntary boat inspections below the lodge at the bottom of the ski slope. The alternate location will be the Marina. This boat inspection program is strictly voluntary and FREE! If your boat does not pass inspection, you will not be fined or cited! They will merely give you a list of items to correct. Once you boat has passed inspection you will be given a sticker to display on your windshield.

INTERESTS SURVEY CONDUCTED

Included in this issue of The Northwinds News is an interest survey, the volunteer social committee would appreciate your taking the time to complete and return this form.

The committee includes members of the Northwinds Lodge staff and was created to bring events of interest to the residents and community by helping the lodge to attract visitors and guests from across the region.

LAKE HERBICIDE TREATMENT

Indian Lake will temporarily be closed to all boat traffic and water activities on June 15, 16, and 17 for treatment of the weed problem. Please do not attempt to boat, fish, water ski, swim, or draw water from the lake on these days. It is recommended that you do not water your lawn or plants from the lake for two weeks after the treatment. The herbicide treatment does not pose any threat to pets or wildlife.

Call the borough office at 267-4614 with questions. Thank you for your patience and cooperation.

Having one of these stickers will make it very unlikely that you will be stopped for a spot inspection on any lake or waterway.

The USCGA members are here to assist you in keeping your boat safe and legal by pointing out any dangerous hazard such as improper engine compartment ventilation or hard to spot fuel leaks. They will also point out our minor problems such as improper or missing equipment.

Avoid a possible fine or citation later. Take advantage of this free boat inspection.

Thus, the Lodge can prosper and continue to be available throughout the year, both now and in the future.

For these objectives to be met, participants of all ages and recreational preferences need to voice their opinions. Please take a minute to complete the form and return it as addressed, include a stamp or drop it off at The Lodge.

Thank you for your help.

PLEASE BE CAUTIOUS

Please be cautious and remember, don't drink and drive, or drink and boat! Alcohol and the operation of any vehicle do not mix!

Remember the 30 mph speed limit throughout the borough. We are blessed with many winding roads, lined with trees, that make seeing far ahead difficult. Please slow down and pay attention. There are a number of pedestrians on our roads enjoying a quiet, scenic walk. The next curve you go around may have a child at the other end.

Watch for increased traffic around the Lodge. Let's all be careful and have a safe, enjoyable summer.
