NEW IDEAS INTRODUCED AT THE LODGE

The summer is upon us, and I am anticipating a wonderful, fun-filled season for all Indian Lake residents and friends! With the new season that we are entering comes many new and exciting changes at the Lodge, including a new management team, the formation of special interest committees to bring residents together, and a new name...Northwinds Lodge at Indian Lake!

Together, we plan to take a fresh approach to fun this summer by introducing many activities and events! To keep you informed of the area happenings, the recently formed volunteer social committee has decided to publish a monthly newsletter. Welcome to "The Northwinds News," the official publication of Indian Lake events, centering around the Northwinds Lodge.

Many events are currently being planned with the help of the Social Committee. Some of these events include an **Indian Lake Chorus**, **Bridge Get-Togethers**, a **Water Ski Show**, **Sunday afternoon Boat Rides**, the **First Annual Indian Lake Triathlon**, **Tuesday night Sing-a-longs**, and much, much more! As you can see, we've already been very busy brainstorming, planning, and coordinating. But, we are always looking for help and new ideas, so everyone is invited to attend our Social Meetings on Thursdays at 8:30 pm at The Lodge. Your ideas and time will be greatly appreciated, and our social meetings are a great way to get to know your neighbors!

Please join us for our events and take advantage of some of our other new offerings, like our **brand new menu**, which was designed with the leisurely lifestyle of The Indian Laker in mind! (We've extended our serving hours to include plenty of time for dining after a long day on the lake!) For our golfers, we are adding a driving range to our services and are **expanding the Lakewood Golf Course** to 18 holes (scheduled completion is Spring '94, watch for our ground breaking ceremony). For the youth in our area, we will be opening an **under 21 club** called "The Front" at the end of May. And finally, plans are underway for the **opening of the Pow Wow Pier**, which will make the Northwinds Lodge accessible by land or by boat!

To kick-off the season, please join us at our **Open House on May 22**. We have a full event schedule for the day, including a special appearance by that friendly, purple dinosaur that kids love, lots of food and beverage, volleyball, helicopter rides from 5pm to dusk, and entertainment that begins at 7pm. We hope to see you there!
