LUAU, LUAU, LUAU

A real Hawaiian Luau, Indian Lake style, was held Saturday, February 26 at the Lodge. The setting was the South Seas, new swimming pool and lounge area.

A bathing suit was a must for entrance but grass skirts were accepted. It was fun-time for everybody. A buffet was served in the pool lounge from 5:30 to 9:30 p.m.

The LUAU was a big success and the next one should be even better. So, watch for the next date and bust out for a good time.

PREMIUM OFFER BEGINS APRIL 1

LAKE ANNOUNCES 'NEW GUEST PROGRAM'

Indian Lake announces the beginning of a new program designed to encourage lake residents to introduce their friends and neighbors to the second-home living advantages of the lake.

Effective April 1, 1966 through December 31, 1966, Indian Lake is sponsoring a "New Guest Program". Under this new and unique program, an Indian Lake resident may bring a new guest to Indian Lake on any day or night, Tuesday through Sunday, as the guest of Indian Lake. The Indian Lake management will pay the cost of the husband and wife guests to golf, ski, swim, and dine. In addition it will also pay the cost of the guest's children to swim.

If one of the resident's guests buys a lot at Indian Lake during the 1966 calendar year, then, the resident is credited with a \$110.00 gift certificate to be used for any item sold through the Indian Lake Lodge. Each 'new guest' is entitled to register and be introduced under the offer only once during the year.

The "New Guest Program" enables residents to introduce new guests to the lake without any cost to himself. On the other hand, by doing so, the resident has the opportunity to gain a gift certificate.

Through this new program Indian Lake seeks to encourage the Lake residents to bring their friends and people like themselves to Indian Lake. In this manner, the wonderful temperament and personality of the present Indian Lake residents will be maintained.

The recently completed new lodge addition with swimming pool and enlarged dining area makes the lake a better than ever place to relax and live. Your life at Indian Lake will be directly influenced by the new residents who are attracted to the lake. For this reason the lake encourages you, the residents, to recommend Indian Lake to your friends and invite them down to Indian Lake under the "New Guest Program."

Residents who participated in the Travel Contest last year found it a great source of enjoyment and the prizes worthwhile. This year, you are urged to earn yourself gift certificates by introducing prospective lot buyers to the exciting world of Indian Lake.

Residents wishing to participate in the "New Guest Program" should make their reservations in advance by phone or letter, especially for Saturday night dinner, through the Indian Lake Lodge Office. Guest passes are to be picked up at the office. This will assure that your guest is properly planned for and attended to.

TITLES IN SIX DIVISIONS

CHAMPIONSHIP SKI RACES EXCITING

Fifty individuals competed in six divisions for trophies and recognition on February 20th. Winners and champions of their divisions are: Ralph Guarino, Doug Baltzer, Randy Guarino, Linda Donner, Kerry McIntyre and the Baltzer family.

MEN'S DIVISION—OVER 18

Ralph Guarino sped over the course in 37 seconds flat to easily win the Men's Division (over 18). Jack Hershberger and Richard Moor tied for second place with a time of 42.2 seconds.

Guarino is a building contractor from Latrobe, Pa. He is well-known around the lake for his friendly and winning ways. Ralph built many of the homes at Indian Lake and has been an Indian Lake resident himself for 2½ years.

BOY'S DIVISION—13 TO 18

Young Doug Baltzer, competing in the boy's division, clocked the best time of the day when he flew over the course in 36.7 seconds. Ricky McIntyre was only 1.3 seconds behind Doug with an official timing of 38 seconds flat. Barreling Barry Long tied down the third spot in the boy's division with a respectable clocking of 42 seconds.

BOY'S DIVISION—12 AND UNDER

Little Randy Guarino's winning time of 43 seconds was 2.8 seconds better than Pete Neilan's time of 45.8 seconds. The time was truly amazing when you consider that it would have been good enough for a fourth place tie in the men's division. Sammy Yourd held down the third spot with a 46.0 second flat clocking that fell only .2 seconds short of deadlocking runner-up, Neilan.

WOMEN'S DIVISION—OVER 18

Pert and pretty Linda Donner proved she had the muscle and finesse too when she flashed over the women's course in the astonishing time of 45.9 seconds. Her winning time exceeded Pat Barron's time of 59.5 seconds by a big 13.6 seconds. Mary Ellen Pfetch copped the third place slot with a clocking of 63.9 seconds.

GIRL'S DIVISION—UNDER 18

Kerry McIntyre garnered the roses in the little girls' division with an official time of 53.0 seconds on the nose. Two cute little sisters, Cindy and Holly Baltzer battled it out for second place with big sister, Cindy, edging in with a time of 57.4 seconds. Holly registered a very close 58.5 seconds over the course.

FAMILY DIVISION—TOTAL OF 3 BEST TIMES

The family division trophy is awarded on the basis of the combination time of the top three racers from each clan. Indian Lake is founded on the concept of family living and recreation and this philosophy is fulfilled with the recognition of total family efforts.

The Baltzer family trio of Bill, Doug, and Mike teamed up to turn in the best combined time for the day of racing. Their total of 134.1 seconds averaged 44.7 seconds a run.

Tony, Allan, and Fred Marion were surprise runner-ups to the Baltzer family. Their average time of 45.5 and total of 136.6 seconds was good enough for second place, family division, even though individually they failed to cop any of the top three places of any division.

The Guarino boys, Ralph and son, Randy, teamed with sister Sharon to register an average run of 46.6 seconds and a total of 140.0 seconds to place third in the family event.

FINALE

Awards and honors to each of the winners are scheduled at an April 16th banquet. All participants, their families, and guests are invited to attend the affair.

DETERMINING LAKE'S BOAT CLASS

SAILING CLUB TO SET RACING STANDARD

Because of increased interest in the art of sailing and the desire to have competition, the Indian Lake Sailing Boat Club is in the process of determining a "one class-boat" for use in Indian Lake races.

The results of our survey indicate the probability of two one-class design sailboats for Indian Lake. One class will be 12' sloops (mainsail and jib) and the second will be small lateen type sails commonly known as "sailfish." Of particular importance is the proper selection of the 12' boat.

There is a wide spread of prices and quality on 12' boats. Some of the current ones are as follows:

Starcraft	"Scaflite"	12'	\$475.00
Anchor Sailboat	"Whistler"	12' 4"	\$695.00
Royal Sailboat	"Buckeye"	12' 8"	\$835.00
Sailstar	"Little Bear"	11' 6"	\$875.00
O'Day	"Widgeon"	12' 4"	\$950.00

To provide more information and to help select a one-class boat, a meeting with sailboat manufacture representatives is set for Tuesday, April 5th at 7:30 P.M. at the South Hills Village auditorium located at the South Hills Village Shopping Center south of Mt. Lebanon on Route 19. You are invited to attend this meeting to help select the class boat for Indian Lake based on these discussions. Orders for the one-class boats must be placed by April 15th to assure timely delivery by mid-May. The larger the order, the greater the discount when purchasing these under "fleet rates." For further information, please phone J. G. Schenck, Pittsburgh 835-0397.
