# Make Reservations Now For New Year's Eve

New Year's Eve promises to be bigger and better than ever this year at Indian Lake . . . and probably less expensive.

All you have to do is make a reservation and send enough money to the Lodge to take care of the \$2.50 per person cover charge. After that you're on your own.

The \$2.50 per person cover charge reserves your seat at a table and gets you some hats and noisemakers. If you like, you can order dinner from the menu and your favorite drink from the bar. There will be dinner and music in both dining rooms. Reservations will be handled on a first come-first served basis. Dinners will be served from 8 to 11 p.m.

Here's what will be on the menu for New Year's Eve:

**DINNER**

	***	
Shrimp Cocktail		\$1.75
	***	
New York Strip Steak - 12 oz.		\$6.95
Filet Mignon - 8 oz.		6.95
Lobster Tail - 12 oz.		7.50
Prime Ribs of Beef		5.50
Stuffed Pork Chops		4.50

All dinners include Soup or Juice, Potato, Vegetable, Salad, Rolls and Butter.

**BREAKFAST**

## PRE-SEASON CHECKUP FOR SKI LIFTS, SNOW EQUIPMENT

Andy Woke, Indian Lake's all-around maintenance man, is shown here making his regular pre-season checkup of the ski lifts. In addition to getting the lifts in working order, the slopes and snow making equipment also received a good going over. Everything appears to be in good shape and with a little help from old man winter, it should be another big season for the skiers at Indian Lake.

**PLENTY OF FUN,  
ACTION THIS  
WINTER  
WITH  
SNOWMOBILES**

**SKIBOB, SUPER SLED  
ALSO AVAILABLE**

It appears that it's going to be a big year for snowmobiles at Indian Lake . . . now that snowmobile sales and service (including rentals) are part of the winter scene here for the first time.

The new snowmobile service is in full operation in the red barn at the game farm just across from Indian Lake's main entrance on Route 160. There's also equipment and accessories on display in the golf pro shop.

Even without snow, a considerable amount of interest has been generated among Indian Lakers and a number of snowmobiles - the popular Coleman Skiroule - have already been sold.

**OTHER FUN IDEAS**

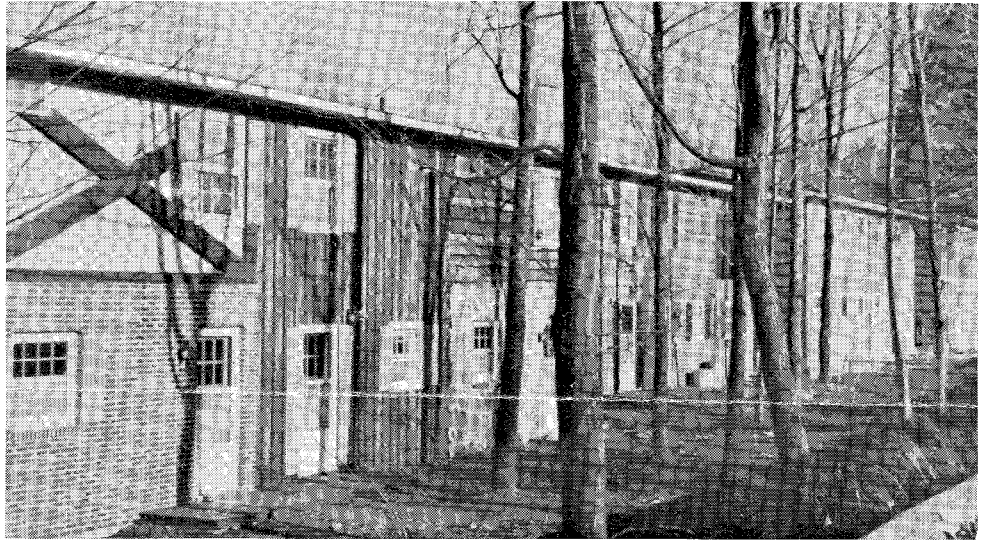

In addition to snowmobiles, a few other sporting ideas have been added to the line to make winter even more exciting.

One is the skibob. It's built like a bicycle on skis and is just as easy to handle. You can race down hills, fly over jumps or just make lazy loops in the snow.

Then there's the super sled. It's like a bobsled, but lots more fun. The super sled planes in any kind of snow and is equipped with sturdy steel controls for steering, slowing or stopping. It's designed to take all the punishment you can give it. You can even use it during the summer towed behind a boat.

For more information on the snowmobiles, skibob or super sled, call Glenn Boyer at Indian Lake, phone 814 - 754-4616.

**...The Ever Changing Scene**

If you haven't been to Indian Lake in the past few months, one of the first things you'll see that wasn't here the last time you visited is this imposing row of townhouses located off the main parking lot, overlooking the ski slopes and lake. There are twelve units - all sold - and they blend in rather nicely with Indian Lake's natural setting.

The units are constructed for year 'round comfort and are equipped with many modern conveniences.

## INDIAN LAKE SKI SHOP OPENS

# SKI FASHIONS FOR EVERYONE

Hopefully, by the time this newsletter is delivered there will be plenty of snow on the ground and good skiing at Indian Lake. In the event you missed the fashion show in October, the ski season is officially open (with or without snow), along with the Indian Lake Ski Shop where you can get all the latest ski clothes and equipment for the whole family.

Some of the ideas available this year are shown above as they were modeled at the ski fashion show. The fashions speak for

themselves. The models are: (left to right) Nancy Guarino, Harry McLaughlin, Susan Johnson, Patti McLaughlin and Gavin Guarino, and Tom Thompson.

The Indian Lake Ski Shop is now under the full management and direction of Ralph and Nancy Guarino. Ski pro Willi Klein, who has a ski shop in Pittsburgh, will be at Indian Lake to help out on weekends.
