Progress Being Made On Boro Ordinances

Allegheny Mountain Lakes, Inc., and Indian Lake Borough held a special meeting Friday, January 13, on proposed ordinances and building codes for Indian Lake.

Recommendations for the formal regulations were made by Allegheny Mountain Lakes, Inc., based on the contents of Deeds to lots sold to date. This is the logical starting point as the Deed represents a contractual arrangement between lot owners and the corporation. Detailed maps were presented along with recommendations for zoning in terms of recreation and residential areas.

The plans and recommendations, which included some thoughts on a proposed budget, were turned over to the borough solicitor to draw up formal codes. Authorization was also given to the solicitor to move ahead and attempt to obtain as much real estate tax money as possible to which the borough is now entitled. Effort is also going to be made through the borough to obtain a more equitable relationship regarding the school district.

The meeting represented the first major step towards taking advantage of the legislative powers of the borough. The borough council, solicitor and Allegheny Mountain Lakes unanimously agreed that the less government Indian Lake has the better off it will be. But, it must take whatever action necessary to enforce all rules and regulations. This is necessary if Indian Lake is to satisfy the needs of everyone.

It was emphasized that the borough must keep three things in mind in conducting their governmental affairs: (1) Indian Lake is private, (2) Indian Lake is primarily a recreation area and (3) Indian Lake's mandate rests with the part-time residents.

Mutual understanding between all parties is certain to keep Indian Lake unique as a community.

Rick McIntyre Wins Giant Slalom Ski Race

Ricky McIntyre, competing in the boy's division, won top honors in the second annual Indian Lake Giant Slalom Ski Race held Sunday, February 26.

McIntyre raced the fourteen gate course in 27.2 seconds, fastest time of the day. This was 2.2 seconds better than his nearest rival, young Jimmy Schenck of Pittsburgh. Bob Howarth, Pittsburgh, and Tony Marian, Jerome, both came in with 30.3 to tie for first place in the men's division and third place for best time of day.

Excitement was high and competition keen as a new breed of skiers, led by

Swim Classes and Swim Meet Planned

Applications are now being accepted for admission to Saturday morning swim classes in the following categories: beginner, intermediate, junior lifesaving, lifesaving and senior lifesaving.

Instructions will be given by newly appointed head lifeguard, Bill Boyd.

Adults and children desiring qualified swimming instructions are urged to sign up now at the pool.

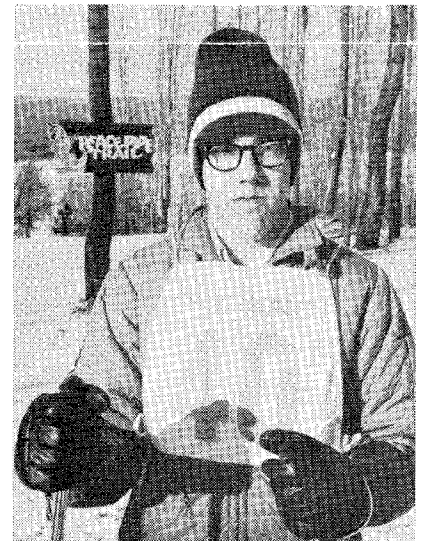

Swim Meet Planned

Last summer's swimming meet, under the direction of Suzy Newman and Mary Neilan, proved to be quite successful so there's been talk of having one in the spring. It will be called the Indian Lake Spring Swim Meet. If there's sufficient interest, it will be scheduled in late April or early May.

This would seem to be an ideal time to have a meet. Skiing will be finished, but it won't be nice enough yet outdoors to do any boating or golfing. And, everyone's usually quite restless at this time of year.

The swimming meet could be just the thing to kick off the spring and summer season at Indian Lake.

Sign up now for the Indian Lake Spring Swimming Meet.

Doug Baltzer, winner of last year's best time, had an unfortunate experience as his right ski came off as he pushed away from the starting gate. Ralph Guarino, men's defending champion, made a wide turn at

An organization meeting for Indian Lake Lodge's adult social and recreation committees is set for 2 p. m., Saturday, March 18, in the Pub Lounge.

The meeting is open to all men and women members of the Lodge. It is not only set up to organize the committees, but to provide members with an opportunity to voice their opinions on the social and recreation aspects of the Lodge. Pool table or ping pong table for teenagers in the pool lounge. Anyone having either of these, or knowing of any not in use, please contact the Lodge.

Bud Woltz, new lodge manager, is looking for a big turnout. Don't stay away thinking you'll be given a job to do. It won't happen that way. Bud wants to meet and get acquainted with everyone, and to hear directly from YOU, the members, about how you think the social life at Indian Lake should be handled.

He's opening the meeting to everything—ideas, gripes, service, changes—anything YOU, the members, want to help keep Indian Lake an active, interesting and exciting private club.

To make things a little more convenient, the teen-age social meeting is scheduled for 11 a.m. the same day.

If you can't make the meeting, write out your thoughts and ideas and mail them to Bud Woltz. But, try to make the meeting Saturday, March 18, 2 p.m., and hear what others have to say.

GO FOR THE GREEN

Indian Lake's "Go For The Green" customer referral program is gaining momentum. This is evident as lot owners have been arranging appointments for their friends to see Indian Lake during the week. Normally, weekends are the busiest with guests, but many lot owners have had their guests tell them they more than enjoyed their visit during the week. Indian Lake is relaxing anytime, but in addition to relaxation the weekdays allow more time for prospective property owners to look around and ask more questions.

With the spring and summer seasons coming up, lot owners have been redeeming their stamps for valuable items for the home—items they normally would not buy—patio furniture, barbecue and picnic accessories, sporting equipment—an endless number of items to make the vacation season more enjoyable for you and the family.

New participants have found the program rewarding and simple. One lot

owner was quite surprised when he received 1200 S & H Green Stamps for simply introducing a prospective property owner to Indian Lake. He sent the prospect here alone, too. But that's how the program works. Twelve hundred stamps for your first referral. If the referral develops into a sale you automatically earn an additional 40,000 stamps. From here stamp earnings can go up to 386,000, which is equivalent to \$38,600.00 in grocery purchases.

Now's the time to GO FOR THE GREEN. Weekdays or weekends, Indian Lake will explain and point out the many benefits of being an Indian Lake property owner.

Remember, to officially record all referrals, there is a simple two-part referral card that must be filled out and presented, or mailed, to Indian Lake. Additional cards are available at the Lodge.

Effective July 1

Season Pass Renewal System Revised

A new season pass policy, designed to simplify renewals, will go into effect July 1, 1967. The new policy will establish July 1 as a universal renewal date and all Indian Lake and Lake Stonycreek lot owners must renew their season pass by this date to be allowed free and unlimited use of all Indian Lake facilities. The \$150.00 yearly rate entitles the entire family use of the golf course, ski slopes, swimming pool and tennis court. Without a season pass lot owners and their children must pay the daily green fees, ski tow charges or swimming pool rates.

Prior to this new policy, renewal of season passes was based on the anniversary date of the lot purchase. However, with the overlap in seasons and anniversary dates, and the increasing number of lot owners, this system sometimes resulted in unavoidable embarrassment on the part of the lodge and members.

Being a lot owner does not, and never

did, guarantee free and unlimited use of all facilities. The only exception was for new lot owners the first year. Now, new lot owners will get the balance of the first year free for six months or more up to July 1 if purchase is made between July and January. For less than six months the new year will be billed on the difference depending upon what month between January and July lot purchase was made.

This new renewal system will help make Indian Lake an all-around better place to play by guaranteeing the best possible maintenance of all facilities.

Teen Age Social Meeting March 18

Indian Lake Lodge is set to put the accent on youth this summer. Through

the inspired leadership of its new, youthful manager, Bud Woltz, the Lodge is planning full support for organized teen-age social and recreational activities.

All teen-agers are invited to attend an informal get-together Saturday, March 18, at the Lodge, to organize activities for the coming season. This meeting has been arranged to allow teen-agers to plan their own social life at Indian Lake—with full support and cooperation from the Lodge.

Dances, parties, games—name it—every effort will be put forth for you, the teen-agers.

For an unforgettable summer of fun and excitement, all teen-agers are urged to attend this important meeting. Don't let someone else plan your summer at Indian Lake. Come to the meeting—Saturday, March 18 at 10:00 a.m., in the pool lounge.
