REGISTRATION FOR MANDATORY SEASON-PASS EXTENDED TO NOVEMBER 1

With less than two months of good golfing weather left, and with the skiing season just around the corner, non-fairway lot owners are scurrying about to beat the November 1 cut-off date to sign up for the mandatory season-pass. The special pass, which must be paid for every year, carries with it unlimited family recreational privileges at Indian Lake, including play on the Arnold Palmer golf course on the peninsula.

Non-fairway lot owners who sign up for the pass now will not only be in for a full season of skiing, but their membership will give them an early start next year on the Arnold Palmer golf course, where only fairway lot owners and mandatory pass holders are permitted to play.

Cost of a mandatory season-pass is \$200. The cost is based on the Consumer Price Index published by the U. S. Department of Labor. This means that the annual fee for a mandatory season pass could remain the same indefinitely, or be adjusted up or down depending on living costs.

The mandatory season-pass is the most popular plan ever introduced at Indian Lake for unlimited family recreational privileges. Non-fairway lot owners have been signing up at the rate of about 10 a week.

Why don't you take advantage of this practical plan, too. Visit the real estate sales office at the Air-Park. Sign up now and let your family enjoy all the benefits of Indian Lake.

FISH MEETING OCT. 11

Indian Lake Fishing Club will hold its annual meeting in the Pub Lounge at the Lodge on Saturday evening October 11 beginning at 7 p.m.

Jack Butler, club president, said this is an important business meeting and urges everyone to attend. There will be a recap of this year's activities and a discussion of a new stocking program.

Membership in the club is by donation (minimum \$10) and all proceeds go towards the fishing program of Indian Lake. If you can't make the meeting, send your donation to: William Morris, Treasurer; Indian Lake Fishing Club; Indian Lake Lodge; R. D. 1, Central City, Pa. 15926.

SEE-THROUGH FABRICS ARE IN

Ski Fashion Show October 25

Indian Lakers are in for a stunning preview of a whole new line of colorful and exciting skiwear for 1969-70 at the annual ski fashion show to be held at the Lodge beginning at 9 p.m., Saturday, October 25.

The fashion show, which marks the opening of the ski shop, once again will be handled by Linda and Willi Klein who will be starting their fifth season as directors of Indian Lake's ski program. Above, Linda is shown receiving some personal service from her ski pro husband Willi as she tries on the latest in after ski boots — long haired lamb. This is only one of many items featured this year in the apres' ski line which includes the new see-through outfits, body shaping knits and fur vests.

For the hot shot skier this year, the look is definitely straight leg nylon pants and matching jacket. You'll see the new over-the-boot pants that go on their own (no ski pants underneath). For the girls, fly fronts and novelty fabrics are in. Colors this year are brighter, bolder and slicked up to give that wet look. Start the season off right, be on hand for the ski fashion show October 25 at the Lodge.

TWO NATIONAL MAGAZINES FEATURE INDIAN LAKE

Two national publications — Golf Magazine and Golf Digest — think Indian Lake is an exciting place and have reported on activities here in their recent issues.

In connection with a feature article on fairway living in the August issue of Golf Magazine, Indian Lake is listed among the "newest and hottest spots around the country offering fairway living."

Indian Lake's unique golfer vs. shooter tournament held in July attracted the attention of Golf Digest and they reported on the unusual competition in their October issue.

**PROGRAM FOR
YOUNG COUPLES**

In an effort to get better acquainted and to have more good times at Indian Lake, a number of young married couples have requested information concerning others at Indian Lake in the same age group.

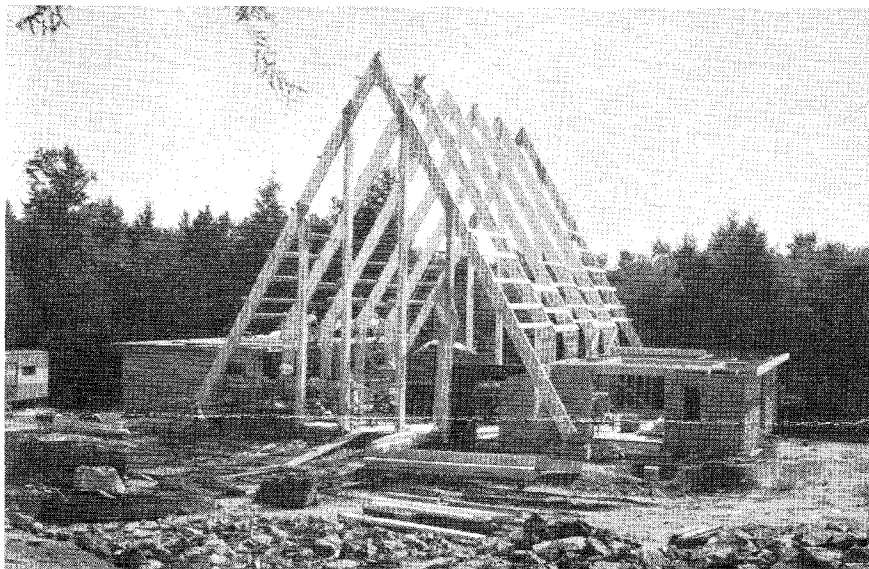

The problem seems to be that some young couples are here one weekend and others at another time. It has been suggested that if a list of the under 35 group was available, several get-togethers could be planned throughout the year.

A recent survey conducted by Indian Lake showed that 17% of the property owners are 35 and under. So, if you are married, under 35, and would like to receive information about a young couples program, please fill out the form below and return it to the lodge.

Increase In Second Home Construction

While new housing starts around the country are down 29%, new starts for second homes at Indian Lake are up more than 25%. Forty-five building permits have been issued this year to Indian Lake property owners as of September 18. This is 10 more than the total number issued for all of 1968.

Among the new second homes under construction here that has attracted some attention is that of Mr. and Mrs. T. S. Fitch of Washington, Pa. Mr. Fitch is board chairman of Washington Steel Company.

As shown above, the home is an oversized version of an A-frame with the peak of the roof rising to a height of 45-feet. The roof, as well as a floating boat dock, will be stainless steel. The exterior of the wings on the A-frame are faced with Ohio sandstone. Another outside feature designed to complement the home and its beautiful setting is a pond, complete with fountain and waterfall.

Inside, the home is designed for open living with 7,500-square feet of floor space. The high ceiling, of course, is open and enhanced by laminated wood trusses. One of the focal points in the living area will be a fireplace-in-the-round featuring a recessed pit with seating above. There will be a billiard room just off the living room. For sleeping, there will be three bedrooms and a dormitory for children. The home is all-electric and will be air-conditioned.

The home was designed by Dickson & Dickson — Architects, Washington, Pa.

Game Farm Is Hunter's Paradise

Here's the type of action hunters are experiencing at Indian Lake's game farm which opened September 1. It's a real paradise for the hunter as hundreds of birds have been stocked while hundreds more are ready to be turned loose on the 1,200-acre farm. There's another 2,500-acres in the regulated hunting preserve.

Membership in the game farm and hunting preserve is only \$150 a year, with a \$150 initiation fee. If you like to hunt, you won't find a better place anywhere for certain, game and all-around good hunting conditions at such a reasonable rate. Join the club now and get in on the action of good hunting. There are other benefits and privileges with a membership, so why not join today. You'll be glad you did.
