## It Happened at Indian Lake

### Palmer Breaks 2 Course Records In Round With Contest Winners

Hodges, Stewart, Wagner, Lascheid,  
Long and Hallo Tee Up With Arnie

A relaxed and smiling Arnold Palmer joked with the gallery, belted 300 yard drives and set 2 course records for his 18 hole round of golf with the 6 referral contest winners Tuesday, September 5.

Making up the morning foursome with Arnold Palmer were Mrs. Betty Hodges, Cumberland, Maryland; Tom Stewart, Frostburg, Maryland (he was playing for non-golfing winner Lawrence Hitchins); and Paul Wagner of Stoystown.

Teeing up with Arnie in the afternoon were Dr. William Lascheid, Mt. Lebanon; Tussie Hallo, Bridgeville (he got to play, thanks to Pete Calabro); and James Long of Barnesboro.

It was driver, wedge and putt for Palmer most of the day as he shot a record 5 under par 31 in the morning, and then came through with an even par 36 in the afternoon for a new 18 hole course record of 67. The old 9 hole

course record of 32, and 18 hole score of 70, were held by Joe Parker of Johnstown.

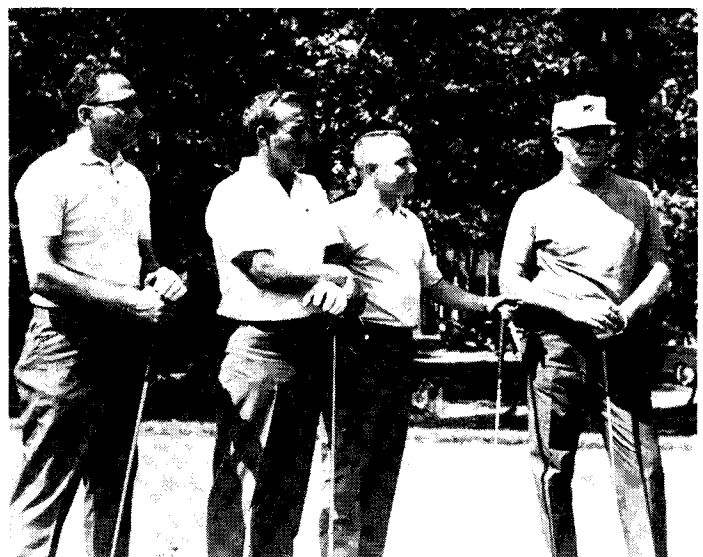

Palmer got his birdies on 2, 6, 7 and No. 4 and 9 twice. His only bogeys came in the afternoon on No. 7 and 8. His drive on No. 7 landed in the pond in  
*(Continued on page 3)*

*Arnold Palmer watches his drive off No. 8 tee sail pin high to the "monster" green. Arnie used a three wood for this 245 yard, par 3 hole. He drove the green in the morning and was off to the left, pin high, in the afternoon. He recorded a par and bogey on this hole.*

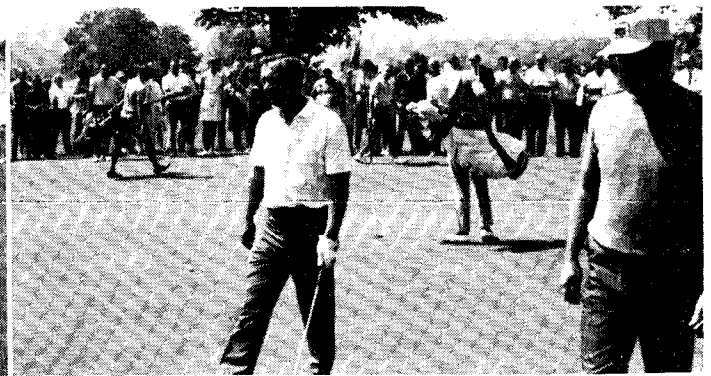

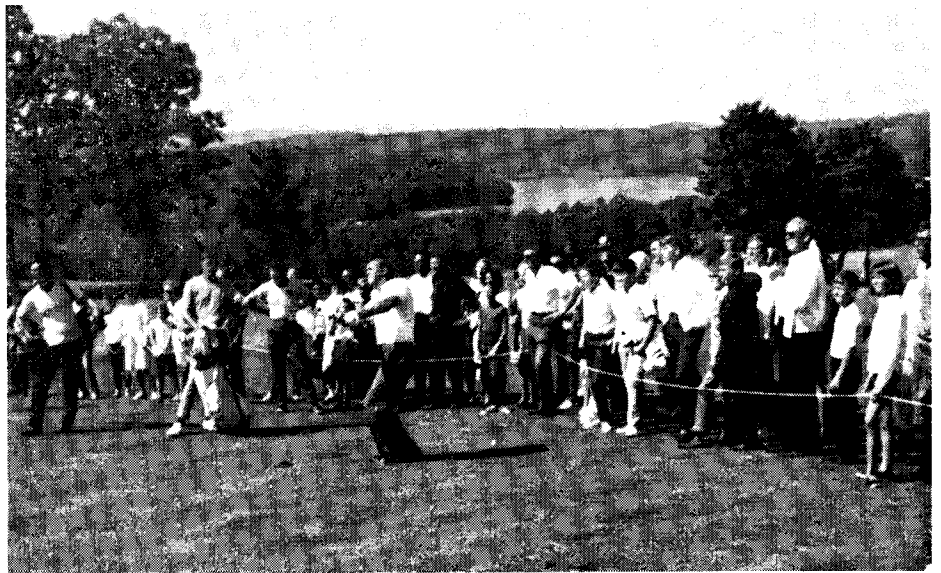

*The morning foursome in the Indian Lake referral contest match gets set to tee off on No. 1. Left to right are Arnold Palmer, Denny Robinson, (Arnie's Caddie), Tom Stewart, Bob Will (Caddie), Paul Wagner and Mrs. Betty Hodges.*

*Arnold Palmer talks with three of the referral contest winners prior to teeing off for the afternoon round. Left to right are Tussie Hallo, Arnold Palmer, Bill Lascheid and Jim Long. The day was a memorable occasion for all Indian Lakers.*

Driver, wedge and putter—that was all Arnie needed during his record-breaking performance on Indian Lake's 9-hole, 3,250 yard layout. The five iron was the longest iron Arnie used all day. He hit it off No. 3 tee, and he also used a five iron for his second shot on No. 9 in the morning round. For his second shot on No. 9 in the afternoon he hit a six iron. The hole is a par 5, 465 yards long.

Paul Wagner, left, takes advantage of a pause in the action to talk to Arnold Palmer about some fine points in putting. In his record-breaking 5 under par 31, Palmer used 14 putts only.

Mrs. Betty Hodges, left, leads her own charge as she strides down No. 9 fairway with Arnold Palmer. Betty had plenty to be proud about as she hit the ball like a champion all day.

Someone asked Betty on No. 1 if she was nervous. Betty replied, "I'm too numb to be nervous."

front of the downhill 357 yard, par 4 hole. He used a 3 wood off the tee. In the morning round he used a driver, and carried the green on a fly. The ball rolled to the back edge of the green. Arnie chipped up to within 3 feet of the cup, and then knocked it in for an easy birdie.

The contest winners did remarkably well all day. Betty Hodges, wife of Indian Lake booster Dr. Royce Hodges, played extremely well. Her consistently straight drives really impressed Arnie. When she asked him once about her swing he said, "Don't change a thing."

Paul Wagner was also hitting big drives. His second shots got him into some trouble at times, but he made fine recovery shots. When asked about being nervous, Wagner said, "I just wanted to get a good drive off No. 1. Thinking about that gave me the shakes more than anything else." Paul's drive on No. 1 was straight down the left center of the fairway.

Tom Stewart had some real difficulties. But when he finally took Arnie's advice about keeping the head still, he boomed a tee shot on No. 9 that brought cheers from the crowd.

Of the six contest winners, Jim Long probably plays the least amount of golf. But he wasn't going to pass up the chance to play golf with Arnold Palmer for anything in the world. And, he held his own all day.

Bill Lascheid and Tussie Hallo played like they were trying to beat Arnie. In fact, Hallo probably thinks he could. (He's called the Great One). While Arnie exchanged small talk with the gallery, he kept an eye on Lascheid. Bill hit a drive on one hole that prompted Arnie to say, "You really hit that one, didn't you?"

Lascheid and Hallo both said they were nervous, and that they considered this a once in a lifetime event. They do share a distinction with Arnold Palmer. (If you want to call it that). When Arnie drove into the pond on No. 7, Lascheid and Hallo matched him.

Tuesday, September 5, is a day to remember at Indian Lake. Arnold Palmer made things look easy, and the gathering that followed him around saw for themselves a great golfer, a real gentleman and a nice guy. That's Arnold Palmer.

## Beginning October 7

# Special Entertainment Nights Set for the Lodge

The first in a series of special entertainment nights at Indian Lake Lodge will begin Saturday, October 7, and continue the first Saturday of each month thereafter. These special programs will feature top bands and a variety of entertainers such as magicians, comedians, folk singers, dancers, hypnotists and many others.

The October 7th night will open with the annual Harvest Ball, which is the first of four formal dances scheduled in this new entertainment series. Both dining rooms at the lodge will be utilized each of these nights with a band in each room.

## Junior Golf Tournament Held

Approximately 40 youngsters braved wet weather to tee off in quest of a top prize in the Indian Lake Junior Golf Clinic Championship and the Indian Lake Junior Club Championship. Both tournaments were held Sat., August 26.

Rick Crites won first place in the boy's division in the tournament for golf clinic students. Bob Megraw, Pittsburgh, finished second, and Steve McKearn of Wilmington, Delaware, took third place honors.

In the girl's division, Pamela Schmucker, Berlin, edged out Paula McKearn for the championship.

Larry Bock won the Junior Club Championship by beating Jim Harris of Pittsburgh.

The junior club championship was open to all Indian Lakers up to 18 years of age.

Congratulations to all winners. For those who missed the action in the junior golf circuit this year, Denny Robinson, Junior Golf Activities Director, is extending an invitation to all youngsters up to 18 years of age to sign up early in 1968.

## Finals in Pocket Billiards Set for October 18

The first annual pocket billiards championship will be held in the pool lounge Saturday, October 28. Competition will be open and set up in different divisions, according to age. Ribbons will be awarded to winners of the various divisions.

Registration is now underway in the lounge and main office at the Lodge. Deadline for entering the competition is Sunday, October 15.

The main dining room will feature the Melody Men, favorite of members and guests for the past 2 1/2 years. The front banquet room also will be set up for dining and dancing. One of Pittsburgh's greatest, Ray DeFate and his orchestra, will be in this room playing for the dancing pleasure of members and guests. on October 7.

With a band playing in each room, reservations should be made according to the particular room. On each of these special entertainment nights it will be necessary to have a cover charge of \$5.00 per person. However, all residents with a lodge membership (season pass) will be exempt from payment of any cover charge.

Property owners who wish to take out the full, \$150.00, membership with the start of this new entertainment schedule may do so anytime. July 1 is still the renewal date for memberships, however, for those who earlier may have overlooked the value of free and unlimited recreational privileges, and now, free entertainment, here's your opportunity to take full advantage of being a property owner at Indian Lake.

Big time entertainment is coming to Indian Lake. Plan now to enjoy every show. Make reservations early.

## Member-Guest Day Successful

The first member-guest day at Indian Lake turned out to be quite successful.

Joe Parker teamed up with fellow Johnstowner, Fred Boerstler as his guest to win first place in the two-ball best ball golf tournament.

While the highlight of the day was the golf tournament, members had a good time entertaining guests at the Lodge. Member-guest activities will become a regular on the social schedule of Indian Lake Lodge.

## Picture Report of Arnold Palmer's Design

**NEW 18 HOLE CHAMPIONSHIP GOLF COURSE**

Arnold Palmer is spending more time at Indian Lake now that his design of the new 18 hole championship golf course is taking a more definite shape. Brief descriptions of the back nine holes will be printed in future issues of THE SMOKE SIGNAL. In this way it is hoped that members can share in the enthusiasm Arnold Palmer has for Indian Lake and the new golf course. Plans call for the back nine to be seeded this fall, and possibly be ready for play in 1968.

**No. 16** Par 4  
400 Yards

*The yardage on this par 4 hole is not long, but it is slightly uphill. There is also a slight dogleg right.*

*It won't be necessary to drive to the furthest point in the dogleg, but the tee shot will have to at least make the top of the grade in order to have a clear shot to the green. There are a few pine trees bunched together near the center of the fairway that will play havoc with many drives.*

*The second shot to this green will be downhill. Most golfers tend to be long on a downhill shot to a green, but if the approach to this green is too strong it could end up in the water hazard behind the green.*

*There is still more work to be done on this hole. At this point, however, the hole is sure to have its share of bogeys.*

**No. 17** Par 4  
360 Yards

*This hole presents many interesting challenges. There are two small ponds located about 180 to 200 yards down the fairway. They are separated by some tall trees. The hole itself is straight away.*

*The golfer will have the choice of laying up short with his tee shot and, hopefully, hit the second shot between the trees. Or, he can gamble and try to go through the opening between the two water hazards. A strong drive will carry everything and be in perfect position for the second shot.*

*Arnold Palmer still has more work to do on this hole, as well as No. 16 and No. 18. There is no doubt that by the time he adds the finishing touches these holes will be beautiful, interesting and most challenging.*

**Season Opens****Ski Fashion Show  
Set for November 11**

The annual ski fashion show for Indian Lakers will be held Saturday, November 11, at the Lodge. This will mark the start of what everyone hopes to be as the best skiing season in the five year history of Indian Lake.

All the latest fashions for men, women, boys and girls, will be featured in the show. This will include parkas, sweaters, ski pants, boots, skis and other new accessories. Matching outfits are "in" again this year, but in a wider array of vibrant colors.

The ski shop this year will carry a much larger stock than in previous years. But, don't let this keep you from ordering your new outfit or skis early. In fact, a good idea for right now is a gift certificate through the pro shop. This is one way of doing your Christmas shopping early.

**Ski Clinic, Ski School Set**

The first ski clinic of the season will be held Friday evening, November 24 at 8 p.m. This is the day after Thanksgiving and the turnout is expected to be quite good. Last year the clinic was held in the Pub Lounge and the place was jammed. This year it will probably be held in the banquet room on the main floor.

The clinic is designed to be a family affair and gives everyone a chance to get acquainted with some of the things to expect in skiing. It also is a great social gathering.

It's not too early to enroll in the ski school. Remember, taking lessons is the best way to learn how to ski.

Information on the gift certificate program, and ski school, can be obtained from Indian Lake ski pro Willi Klein. Call 814-754-4608.

Looking for something new in the way of a program for your favorite club, community organization, or business meeting? Beginning October 2, the public relations department of Indian Lake will be on the road for a series of speaking engagements designed to acquaint select groups with the benefits of being a part of Indian Lake.

The basic program is presented through colorful slides showing the step by step development of Indian Lake. Emphasis is placed on the private enterprise philosophy and the second home family living concept. Details on the new condominium hotel principle are also given. Year-round recreation and the increase in leisure time are pointed out as the underlying factors in the development of Indian Lake and the condominium hotels here, and in the Bahamas.

To have this interesting and informative presentation in your community, call 814-754-5159.

**Fishing Club Banquet  
To be Held October 21**

The Indian Lake Fishing Club will hold a banquet for members and guests Saturday, October 21, at 7:30 p.m., in the Pub Lounge.

Dinner tickets are \$4.50 per person, or \$8.00 per couple. They can be purchased at the door, but reservations would be appreciated.

Purpose of the banquet is to enable members to get acquainted and to discuss plans for next year. Much has been done this first year. Fruits of the club's efforts this year will only be realized by a continued strong, well organized membership with common goals—namely, making Indian Lake the best fishing spot in Pennsylvania.

Make your reservations now for the big banquet Saturday, October 21.

Chalet guests are reminded that check out time is 1 p.m. The Lodge would appreciate everyone observing this simple rule so other guests can check in.

February 1 Opening Date

## Reservations Being Accepted For Occupancy in New Hotel

Indian Lakers now have the opportunity to plan next year's vacation a little earlier than usual. A limited number of reservations in the new 32 room hotel are being accepted for dates after February 1, 1968.

The hotel will be operated by Indian Lake Lodge, and all reservations must be made through the Lodge office. Room rates have been set at \$14.00 per day from November 1 to April 30, and \$17.00 from May 1 to October 31.

Rooms are completely furnished with a sitting area, two double beds, divan, vanity-sink refrigerator, shower and bath. Dining room service is at Indian Lake Lodge. Limited room service will be available.

### Plan a Ski Week

The opening date of February 1 will enable Indian Lakers and their friends to make reservations for plenty of good skiing. February generally is the best month for skiing, and this year Indian Lake will be the place to be with its new facilities, plus the greatest atmosphere of any resort area.

### Few Rooms Still for Sale

For the smart investor, there are still a few rooms available. Rooms sell for \$10,500.00. The down payment is \$3,500.00 and the balance can be financed for five years. Monthly payments amount to approximately \$160.00.

Under this condominium principle rooms are owned by individual investors. When not in use by the owners, rooms are rented on a daily basis as part of Indian Lake's 3000 acre year-round resort. Room owners then share equally in a percentage of monthly receipts. Using an occupancy rate of 50% the return to each investor would be approximately \$1,400 a year.

For information on the purchase of one of these few remaining rooms, call 814-754-4616 or 814-754-5159. There are also a few rooms available for sale in the Arnold Palmer Island Inn, Eleuthera Island, Bahamas.

If you haven't looked into the investment opportunities in these condominium hotels, plan to do so real soon.

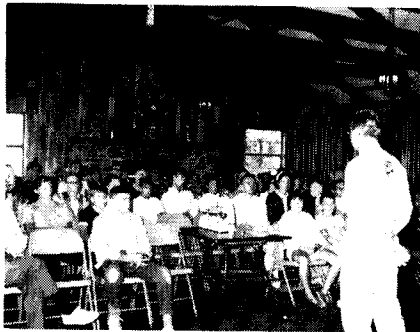

Indian Lake will hold a Swim Olympics Saturday, November 25. Competition will be open to all age groups.

The swimming pool will be closed from Monday, October 23 to Thursday, November 9. Please plan your swimming activities accordingly. The pool will reopen Friday, November 10.

### Join Saturday League

## Shooting Clinics to Continue Through Oct.

Indian Lake Shooting Center is extending the shooter safety clinics through the end of October. Dave Stotler, manager of the shooting park, reports that the move was brought about by numerous requests from Indian Lakers who have curtailed their summer activities on the lake and golf course, but would like to continue their weekend recreation at the shooting center.

The shooting clinics are free, and organized for group or individual instruction. Fundamentals of claybird shooting and gun safety are featured in the clinic. An informative slide show is also included in the program.

Persons interested in competing in a Saturday afternoon trap or skeet league can sign up at the shooting center. Or, call Dave Stotler at 814-754-5185.

Property owners are reminded that no structure of any kind, except for floating boat docks, can be started at Indian Lake without approval of the plan and building permit by the Borough and Allegheny Mountain Lakes, Inc.

Lake Stonycreek has been known for its good fishing, but the size of any catch has never been made official. Well, it's official now. Lee Musser, Berlin, this spring pulled in a five pound, 23" rainbow trout. He used a bucktail and spinner to land the prized beauty.
